EPSCoR to host 4th Annual Industry-Academia Workshop

Who:	Louisiana EPSCoR and Louisiana Board of Regents (BOR) There is widespread recognition that Louisiana has pressing needs to build and expand its research and educational capabilities in targeted STEM areas (science, technology, engineering and mathematics). Louisiana EPSCoR, supported by both the National Science Foundation and the BOR, works collaboratively through universities, the BOR Master Plan, the Louisiana Department of Economics, and the Governor's Innovation Council to help address these needs.
What:	4th Annual Industry-Academia Workshop , which will focus on Next Generation Energy Technology, a key emerging growth sector in Louisiana. Speakers include representatives from Louisiana EPSCoR, the Battelle Group, IBM, Albemarle, Sundrop Fuels, BASF, Oceaneering, Hunt, Guillot & Associates (HGA), Louisiana Tech University and Myriant Corporation.
When:	Tuesday, April 9, 2013, 11:30 am – 7:00 pm (schedule accessible below)
Where:	Baton Rouge Marriott, 5500 Hilton, Baton Rouge, LA
