### About LaSTEM

The Louisiana **Science, Technology, Engineering, and Mathematics** Advisory Council (LaSTEM) was created by Louisiana State Senator Sharon Hewitt in the 2017 Legislative Session, and is Chaired by the Louisiana Commissioner of Higher Education, Dr. Joseph C. Rallo. Under the auspices of the Board of Regents, the Council is tasked to coordinate and oversee the creation, delivery, and promotion of STEM education programs, to increase student interest and achievement in the fields of STEM, to ensure the alignment of education, economic development, industry, and workforce needs, and to increase the number of women who graduate from a postsecondary institution with a STEM degree or credential.
