Re: FY 2019-2020 Operating Budget Request  

This memorandum shall serve as the official request from your respective institutions for the completion of the FY 2019-2020 operating budget and athletic budget forms. All forms and instructions needed to complete these requests have been included in this email package. Additionally, these forms and instructions will also be available on the Board of Regents website www.regents.la.gov under the Finance/Facilities section under the heading “Forms and Reports” / “Operating Budget Data”, and I direct your attention to them and urge your review before proceeding to complete.

**Formula and Specialized Institutions:** one completed bound set of these operating budget forms for each of your institutions to this office no later than **September 3, 2019.** The column for FY 19-20 budgeted, and FY 18-19 budgeted should be completed and the column labeled FY 18-19 actual should be left blank. In addition to the **one** completed bound set, the completed BOR FORMS Excel workbook and Excel BOR-5 should be completed and e-mailed to dawn.melancon@laregents.edu. Once these FY 2019-2020 operating budgets are reviewed by the Board of Regents, the formula institution budgets along with an overall formula funding request will be submitted to the Division of Administration as part of the FY 2020-2021 budget request for formula institutions. (Please note any institution/agency submitting all 3 columns in just one submission must also follow the directions below regarding number of copies and cd’s due September 30, 2019. One bound copy may be sent September 3rd with the other seven bound copies and cd’s due by September 30, 2019.)

**Agency units and Management Boards:** LOSFA, LUMCON, and each of the management boards should submit one bound copy of forms BOR-1, BOR-2, BOR-3 and BOR-3A to this office no later than **September 3, 2019.** The column for FY 19-20 budgeted, and FY 18-19 budgeted should be completed and the column labeled FY 18-19 actual should be left blank. In addition to the one completed bound set,
the BOR FORMS Excel workbook must be completed and e-mailed to dawn.melancon@laregents.edu. (Please note any institution/agency submitting all 3 columns in just one submission must also follow the directions below regarding number of copies and cd’s due September 30, 2019. One bound copy may be sent September 3rd with the other seven bound copies and cd’s due by September 30, 2019.)

Act 49 of the first extraordinary session of 1998 requires that the operating budgets shall contain, at a minimum, budgetary information on prior year actual revenues and expenditures. In order to comply with Act 49 it is requested that formula and specialized institutions submit to this office no later than September 30, 2019, eight completed bound copies of the BOR-1 through BOR-15 forms and the BOR-ATH-1 through BOR-ATH-3 forms with the FY 19-20 budgeted, FY 18-19 budgeted, and the FY 18-19 actual columns completed. At this time, we are also requesting that the agency and management board units provide us with eight completed bound copies of the BOR-1, BOR-2, BOR-3 and BOR-3A completed as above no later than September 30, 2019.

The agency and management board units will continue to request funds using the Division of Administration’s budget forms. Eight copies of these budget requests are due in this office no later than October 9, 2019.

All units: Eight cd’s with all of the forms used to create the bound submissions must be included in the October submission. They are required now in addition to the bound copies. Please use Excel files and not .pdf files where possible. These cd’s can be done by institution or system.

All budget requests for FY 2020-2021 will be submitted to the Office of Planning and Budget by October 16th. Therefore, it is imperative the above deadlines be met to ensure timely delivery of the documents. A follow-up memo will be sent to your offices regarding the FY 2019-2020 budget hearings to be held in September, currently scheduled for September 24th.

If you have questions concerning these matters, Dawn Melancon, Budget and Data Analyst at 225-342-4253.
