Methodology

· All calculations utilize data submitted by the campuses to the Louisiana Board of Regents.

• Enrollment Profile is the unduplicated fall headcount within the institution and includes fall enrollment that occurs throughout the semester, as reported by the campuses to the Board of Regents' Statewide Student Profile System.

• Full-Time Equivalent Enrollment is based on the data reported by the campuses to the Board of Regents' Statewide Student Profile System

• Full-Time Equivalent Enrollment is calculated from the credit/contact hour data as follows: annual undergraduate credit hours are divided by 30; annual graduate credit hours are divided by 24.

- Enrollment Demographics are based on the Statewide Student Profile data submission.
- Enrollment Demographics include enrollment that occurs throughout the fall semester.

Enrollment Demographics are unduplicated within each institution.

• Awards reported are based on data submitted by the campuses to the Board of Regents' Completers Data System.

• Completers are calculated based on the count of unique individuals at each award level within each institution.

• Programs with the highest number of completions uses the Board of Regent's Completer Data System and reflects programs with the highest 3-year average number of completers.

- · Time-to-Degree reflects the average number of years it took to get the award
- Faculty Employment is based on the data submitted by the campuses to the Board of Regents' Employee Salary Data System.

• Full-time Equivalent Employment is calculated based on the total percent effort reported by the campuses.

• Fall to spring retention calculates the percentage of first-time, full-time, degree-seeking students retained from the fall semester to the spring semester.

 \cdot 1st to 2nd year retention calculates the percentage of first-time, full-time, degree-seeking students retained from the cohort fall to following fall.

• 1st to 3rd year retention calculates the percentage of first-time, full-time, degree-seeking students retained from the cohort fall to the third fall. (Example: Students entering Year 2009 retained to Fall 2011)

• See footnotes on each page.
