Subject: Maximum State Support Allowed for Athletics FY 2020-2021

In accordance with the policy revised on July 19, 2007, the authorized “state fund usage in athletic programs” amount of maximum state support for athletic programs for FY 2020-2021 is reflected in the attached schedule. The current policy may be found on the Board of Regents website at <http://www.regents.la.gov> under the finance/facilities policies and procedures section.

Although the attached amounts are the maximum state funds allowed in support of athletic programs, the Board of Regents asks that each institution and its management board prioritize the use of state general funds for the core academic mission of the entity.

Please notify the institutions in your respective systems of the availability of this document for FY 2020-2021. If you should have any questions, please contact Dawn Melancon, Budget and Data Analyst at 225-342-4253.
