LA-R.S. 42.17.1 CERTIFICATION

I certify that the August 25, 2021 meeting of the Louisiana Board of Regents (BoR) will be held via videoconference in accordance with La. R.S. 42.17.1.

The State of Louisiana continues to operate under a state of public health emergency declared by the Governor, most recently renewed in Proclamation 145 JBE 2021 (effective August 6, 2021). As a result, a traditional public meeting would be detrimental to the health, safety and welfare of the public. The BoR meeting concerns, and is limited to, matters that are directly related to its response to the public health emergency and are critical to the health, safety, and welfare of the public.

Pursuant to La. R.S. 42.17.1, BoR will provide for attendance by the public at the meeting of August 25, 2021 via video or teleconference, in a manner that allows for observation and input by members of the public, including a mechanism to receive electronic comment both prior to and during the meeting, as set forth in this notice, posted on August 18, 2021.

Members of the public can view the meeting and make public comment as follows:

The meeting can be viewed at: <https://regents.la.gov/live/>.

Public comments can be made prior to the meeting (until 5:00 pm on Tuesday, August 24, 2021) via email to: bor.publicaffairs@laregents.edu or online at: <https://regents.la.gov/publiccomments>.

Public comments can be made during the meetings via open conference call at: [888-204-5984](tel:888-204-5984); access code 1755460#.

A handwritten signature in black ink, appearing to read "Blake R. David", is written over a horizontal line.

DRAFT
MINUTES
BOARD OF REGENTS

June 16, 2021

The Board of Regents met in session at 1:45 p.m. on Wednesday, June 16, 2021, in the Thomas Jefferson Room A&B, Claiborne Building, 1201 North Third Street, Baton Rouge, Louisiana. Chair Blake David called the meeting to order.

ROLL CALL

Board Secretary Christine Norton called the roll, and a quorum was established.

Present for the meeting were:

Blake R. David, Chair
T. Jay Seale III, Vice Chair
Sonia A. Pérez, Secretary
Robert W. Levy (present for Committee meetings)
Charles R. McDonald
Darren G. Mire
Wilbert D. Pryor
Gary N. Solomon, Jr.
Terrie P. Sterling
Collis B. Temple III
Chandler C. Vidrine (student member)
Felix R. Weill
Judy A. Williams-Brown

Absent from the meeting were:

Randy L. Ewing
Stephanie A. Finley
Phillip R. May, Jr.

PUBLIC COMMENTS

Chair David asked if there were any public comments. There were none.

APPROVAL OF THE MINUTES OF APRIL 28, 2021

On motion of Regent Seale, seconded by Regent Pérez, the Board voted unanimously to approve the minutes of the April 28, 2021 meeting.

CHAIR'S COMMENTS

Chair David made the following comments:

- He thanked Governor John Bel Edwards for joining the Board earlier in the day, for his continued commitment to the goals of the Master Plan and for the financial support for higher education in the new state budget. In addition, Chair David expressed thanks to House Speaker Clay Schexnayder, Senate President Page Cortez, Appropriations Chair Jerome “Zee” Zeringue, Finance Chair Bodi White, House Education Vice-Chair Mark Wright, and Senate Education

Chair Cleo Fields, as well as our priority bill authors and session partners for an unbelievable legislative session. He also recognized Commissioner of Administration Jay Dardenne and Deputy Commissioner Barbara Goodson for their support during the Session and for joining us during the meeting.

- Chair David acknowledged that this was the last meeting for student member Chandler Vidrine and presented him with a plaque. Regent Vidrine thanked the Board and gave an update on his plan to attend LSU while seeking his Master's in Public Administration.
- Chair David noted that our new student member Cameron Jackson will be sworn in during the August meeting.
- Chair David welcomed Ms. Nina Gupta, an attorney at Nelson Mullins, LLP, and asked her to present an overview of the comprehensive review of the Title IX Report relating to policies, training and staffing.
 - Ms. Gupta noted a holistic, high-level review of the data was conducted, which would be used to develop a state-level template policy which combines federal and state regulations to create safe campuses for students, faculty and staff.
 - She further stated that this extensive work was completed quickly to ensure students would be welcomed back to safe campuses in the fall and noted that we must create a culture of care and compliance.
 - Regent Solomon asked if the Title IX laws extend to the transgender community. Ms. Gupta said that they do.
 - Dr. Reed said that this is a continuing process, and as federal guidance and policies evolve, we may need to revisit our policies. She noted that there are training requirements in place for all State Boards and employees.
 - Regent Sterling asked if there was legislation calling for the availability of prevention education to K-12. Dr. Reed responded that there was not, but we recognize that education is needed earlier.
 - Ms. Gupta noted that key factors to ensuring the policy will be effective are respect for everyone's bodily autonomy, and a culture of speaking up if violations are suspected.

MASTER PLAN – HARNESSING THE POWER OF RESEARCH UNIVERSITIES

Dr. Kim Hunter Reed, Commissioner of Higher Education, reminded the Board that the Master Plan, adopted in 2019, established the goal of doubling the number of annual credentials conferred, in order to achieve 60% attainment among the working-age population in Louisiana by 2030. Dr. Reed said that the Master Plan focus for this month's meeting was the power of research. She then introduced Ms. Carrie Robison, Deputy Commissioner for Sponsored Programs. Ms. Robison said that research is essential to our state and a critical component of achieving Master Plan goals. She noted that when faced with adversity during the COVID pandemic, our research universities, community colleges, and industries focused their energies on producing personal protective equipment, swabs, and autopsies were performed by the health science centers to better aid in understanding the virus. She said that the research

component of the Master Plan calls for innovation, stewardship of place, building and maintaining strong industry partnerships and providing training and opportunities for workforce development. Ms. Robison said that the Regents' first annual Research Summit, initially postponed due to COVID, was held on May 28th, and was a success, largely due to the steadfast, energetic support of Dr. Les Guice, President of Louisiana Tech University and Dr. Michael Khonsari, Associate Commissioner for Sponsored Programs Research and Development.

Dr. Guice said that it is essential for us to bring our universities and industries together to benefit Louisiana for the future. He thanked Dr. Reed for the letter in support of the Research Summit, which was signed by the leaders of the public research systems and institutions across the state, noting that collaboration is a key component to success in research. He then discussed the Data Management Initiative, noting that Dr. Sumeet Dua of Louisiana Tech has submitted a proposal to the National Science Foundation to launch an effort to establish a statewide research data repository. Dr. Khonsari discussed the work of the \$20 million NSF-funded Louisiana Materials Design Alliance (LAMDA) grant, through which five campuses have committed to hiring 14 new faculty members. He also told the Board that a major proposal submitted to NSF's Industry-University Cooperative Research Center (IUCRC) program has been favorably reviewed and recommended for funding. Dr. Khonsari noted that 30% of graduate students who work with industry in the research activities during their studies are recruited upon graduation. Chair David thanked Drs. Guice and Khonsari for their excellent presentation.

REPORTS AND RECOMMENDATIONS

Chair David inquired if any member of the Board wanted to take up any of the Committee reports separately before a motion was made to accept all reports. There were no requests.

On motion of Regent Seale, seconded by Regent Pérez, the Board voted unanimously to approve all Committee recommendations from the June 16, 2021 Committee meetings.

AUDIT COMMITTEE

INTERNAL AUDIT PRESENTATION

Mrs. Laura Soileau from Postlethwaite & Netterville (P&N) presented the Internal Audit items.

A. Approval and Review of Internal Audit Charter

Mrs. Soileau stated that the Internal Audit Charter was developed using the IIA model Internal Audit Charter and requires annual review and approval. This was last completed in August 2020.

Approve the Internal Audit Charter as presented.

B. Contract Year 3 Follow-Up Audit Status

Mrs. Soileau presented an update on Internal Audit work performed in Contract Year 3 with IT Security and LUMCON Vendor-Contract Management.

C. Approval of the Proposed Internal Audit Plan for Fiscal Year 2022

Mrs. Soileau presented a brief overview of the risk assessment process and Internal Audit Plan for Fiscal Year 2022. P&N derived the internal audit plan using a risk-based approach in accordance with Louisiana Revised Statute (R.S.) 17:3138.6.

Approve the Internal Audit Plan for Fiscal Year 2022.

OTHER BUSINESS: DISCUSSION OF THE LOUISIANA LEGISLATIVE AUDITOR MANAGEMENT LETTER DATED APRIL 19, 2021

Ms. Elizabeth Bourgeois, Assistant Commissioner for Audit and Compliance, presented the results of the Louisiana Legislative Auditor Management Letter dated April 19, 2021. All prior findings have been resolved and no new findings were issued for FY 2020. This represents the first management letter and single audit report with no findings since FY 2015. No motion was required. Chair David recognized Regent Seale for his commitment to this work and the following Regents and LOSFA staff: Chandra Cheatham, Rhonda Webber, Chris Mestayer, Aisha Griffin, Elizabeth Bourgeois, Michelle Brandon, Jessica Patton, Kim Small, Carla Smith, Brett Hunt, and Cory Wicker for their efforts in accomplishing a clear Management Letter for FY 2020.

LEGISLATIVE COMMITTEE

REVIEW OF THE FY 2021-22 OPERATING BUDGET DISTRIBUTION AND FY 2020-2021 SUPPLEMENTAL APPROPRIATIONS

Mr. Terrence Ginn, Deputy Commissioner for Finance and Administration, provided an update on budget matters following the conclusion of the Legislative Session. He reported that higher education received the largest increase in funding since FY 2008-09 and that increased funding was provided for

faculty pay raises, mandated costs, funding formula, specialized institutions, and the TOPS and GO Grants scholarship programs.

LEGISLATIVE PACKAGE REPORT

Ms. Erin Cowser, Assistant Commissioner for Legislative and External Affairs, provided an overview of legislative successes. She discussed the legislation impacting access, addressing equity gaps, and adult financial aid to align with Master Plan goals. On behalf of Regents, Ms. Cowser thanked all bill authors and legislative staff.

ALTERNATIVELY FINANCED PROJECT: SUBR HONORS HOUSING AND STUDENT UNION

Mr. Herring stated that the Southern University Board of Supervisors, on behalf of Southern University and A&M College (SUBR), submitted an alternatively financed project for the purpose of constructing new honors housing and a student union on the Baton Rouge campus, noting that both facilities are high priorities for SUBR and that the institution secured a federal Historically Black College and Universities (HBCU) loan to cover all project costs.

Approve the alternatively financed project submitted by the Southern University Board of Supervisors, on behalf of Southern University and A&M College, to construct honors housing and a new student union.

HOUSE BILL 2 (HB2) UPDATE

Mr. Herring provided an update on the final posture of HB2 noting that higher education fared well in the bill across all four systems. He highlighted the addition of \$25M in Major Repair (Deferred Maintenance) funding included in the bill towards the end of the legislative session as well as various highlights for all systems.

HURRICANE RECOVERY UPDATE

Mr. Herring provided the Board an update on the status of hurricane recovery in the Lake Charles area for McNeese State University and SOWELA Technical Community College. Commissioner Reed highlighted the exceptional job being performed by all stakeholders to ensure both campuses' damaged facilities are back online for the Fall 2021 semester.

ACADEMIC AND STUDENT AFFAIRS COMMITTEE

Dr. Susannah Craig, Deputy Commissioner for Academic Affairs & Innovation, presented the Consent Agenda and Academic Programs items.

CLASSROOM TEACHER ENROLLMENT PROGRAM (CTEP) POLICY UPDATE

Dr. Craig presented the CTEP policy update. She gave a brief overview of the CTEP program and the current policy. Dr. Craig explained that in April 2020, in response to the COVID-19 pandemic, the Board of Regents (BoR) approved an emergency policy that changed operational aspects of the CTEP program to allow for online delivery of course instruction and online submission of applications. She then stated that BoR staff has consulted with institutional registrars and College of Education Deans/Directors/Chairs to discuss the implications of the emergency policy. BoR staff recommends making permanent the three major changes provided in the emergency policy: 1) allow for online delivery of instruction for courses; 2) allow for electronic signatures from the employing authority for the teacher; and 3) allow for electronic submission of the CTEP Application, if submitted using the teacher's district-issued email address.

Approve the revised Classroom Teacher Enrollment Program (CTEP) Policy Guideline and Application as presented.

ADMISSIONS AUDIT FOLLOW-UP TO FALL 2018

Dr. Craig stated that the BoR audit team performed a procedural audit as a follow-up to the 2018 admissions audit findings and that four institutions were reviewed. Dr. Craig introduced Ms. Bourgeois, who presented the follow-up, briefly summarizing the results from the prior audit. She explained the scope of the current audit was to follow up on the implementation of corrective actions and that this review was designed with the intent of identifying policy and procedure weakness and providing helpful feedback to these institutions prior to the effective date of the new admissions policy.

Approve the Admissions Audit Fall 2018 Summary and Follow-Up Report.

STATEWIDE PROGRAMS COMMITTEE

Dr. Sujuan Boutté, Executive Director of the Louisiana Office of Student Financial Assistance (LOSFA), presented the items on the Consent Agenda.

CONSENT AGENDA

Approve the items on the Consent Agenda as presented.

A. Approval of Final Rulemaking to implement the provisions of Act 17 of the Second Extraordinary Legislative Session of 2020 with respect to Hurricane Laura and Hurricane Delta

- B. Approval of Final Rulemaking to implement the provisions of Act 17 of the Second Extraordinary Legislative Session of 2020 with respect to Hurricane Zeta**

- D. Approval of TOPS Exceptions**

RESEARCH AND SPONSORED INITIATIVES COMMITTEE

Ms. Robison presented the Consent Agenda item.

CONSENT AGENDA

Approve the Consent Agenda item as presented.

- A. Appointment of Endowed Chairholder without National Search: LSU and A&M College**

ENDOWED PROFESSORSHIPS/ENDOWED FIRST GENERATION SCHOLARSHIPS MATCHING ALLOWANCES: INCREMENTAL PRIVATE CONTRIBUTIONS

Ms. Robison indicated that changes to the Endowed Professorships match rate in 2016 left some donors who had begun but not completed such contributions ineligible for matching without substantially increasing their anticipated donation. To allow these donors to complete contributions as planned, Senior Staff recommended that the Board permit submission at the previous 60% non-state/40% BoRSF match rate those Endowed Professorships and Endowed First-Generation Scholarships established with the intent that the BoRSF-eligible campus and/or its foundation would seek Support Fund match, but for which the donor intended to provide incremental donations over time in order to accrue the minimum amount required for BoRSF match. Upon approval, any Endowed Professorship or First-Generation Scholarship for which the donor entered into an agreement and began contributions prior to November 2, 2016 would be eligible for matching upon receipt of the full donor contribution for the 60%/40% rate. All other program policy provisions would remain in place.

Approve provisions to accept requests for Endowed Professorships and/or Endowed First-Generation Scholarships matching at the 60% non-state/40% BoRSF rate for incremental donations to these programs for which the donor intended the campus to seek BoRSF match and began contributions prior to November 2, 2016.

PLANNING, RESEARCH AND PERFORMANCE COMMITTEE

Dr. Craig and Dr. Randall Brumfield, Deputy Commissioner for Strategic Planning and Student Success, presented the Consent Agenda items.

LOUISIANA CYBERSECURITY TALENT INITIATIVE FUND REPORT

Dr. Brumfield provided an update regarding the programs selected and funded in April by the Cybersecurity Education Management Council (CEMC). He noted the programs chosen by the Council represent all Systems and all corners of the state and are very diverse in type. Regent Pérez reiterated the mindfulness of the selected representation in the northern part of the state. Dr. Brumfield said it speaks to the Master Plan goals to map and stack credentials, in addition to helping provide for a new educational delivery model, and stated the Board would be apprised annually of progress and performance regarding the investment of the Fund, as well as the work of the CEMC.

REPORTS AND RECOMMENDATIONS BY DR. KIM HUNTER REED, COMMISSIONER

Commissioner Reed focused on recent meetings and events including:

- She noted that Louisiana is ranked number one in FAFSA completion and thanked Dr. Sujuan Boutté and her team at LOSFA, as well as the students, teachers and counselors of the state, for achieving this goal.
- Dr. Reed welcomed Dr. Clint Coleman, Program Administrator for STEM and Cybersecurity Initiatives, to the staff. She also noted the LaSTEM Advisory Council's recent tour of NASA's Michoud Facility.
- She welcomed Governor's Fellow Elizabeth Bueche, who will work with staff for ten weeks while attending a formal Governor's Fellow class at LSU, culminating in a higher education policy pitch to Governor John Bel Edwards.
- Dr. Reed expressed her deep appreciation for the staff and the Board for all of the great work during the legislative session.

OTHER BUSINESS

Chair David asked if there was any other business to come before the Board. There was none.

ADJOURNMENT

There being no further business to come before the Board, the meeting was adjourned at 2:39 p.m.

PUBLIC COMMENTS

Chair David asked if there were any public comments. There were none.

UNIFORM POLICY ON POWER-BASED VIOLENCE AND TITLE IX REVIEW AND ADOPTION

Chair David said there is no time to waste when it comes to protecting students because the Board believes it must set a strong policy, aligned to the new state laws and matched with system and campus education and implementation, to provide the tools needed to support our students. He then asked Dr. Kim Hunter Reed, Commissioner of Higher Education, to highlight the major components of the draft policy. Regent Weill stated that the policy was a good product and asked if there would be a single policy to address both Power-Based Violence and Title IX misconduct. Dr. Reed said that the Dual Policy recognizes that federal and state laws are not the same and that both types of laws were addressed in the Dual Policy. Ms. Nina Gupta, Partner at Nelson Mullins, further explained the Title IX process and what happens once a complaint is received. She said that anything that does not fall under Title IX would be guided by the state law. Regent Jackson said that he appreciated the accountability portion of the policy, in particular the formation of a Power-Based Violence survey and the involvement of student leaders. He specifically asked how this information will be spread from student leaders to the general student population. Dr. Reed said that Regent Jackson would play a major role in convening student leaders across the state to share this information and to encourage more people to participate in the survey. Regent Jackson asked if the survey would be anonymous, and Dr. Reed confirmed that it would. Regent Finley asked why the survey would be done every three years. Dr. Reed said that Tulane demonstrated that doing a survey every three years, as opposed to annually, gives institutions more opportunities to offer incentives and get stronger student participation. Regent Pryor said that he paid special attention to the appeals process and hopes that the institutions look at the clause regarding an appeal process for

conflicts. He then recognized Javin Bowman, LSU SGA President, in the audience, and Dr. Ray Belton, Southern University System President, as members of Zion Baptist Church in Shreveport. Dr. Reed said that she appreciated our student leaders attending the meeting and being so focused on this issue. Regent Solomon said that he would like for the Board to work to extend the protections offered by this policy to students of private and proprietary institutions. Dr. Reed said that staff would share the policy and continue tracking to be sure to advance this work.

Chair David said the next steps include mandatory training, sponsored by Regents, on August 17, 2021, for public postsecondary board members, system presidents, legal counsel and others, followed by training to be held on August 18, 2021, for campus-based teams comprised of chancellors, Title IX coordinators, law enforcement officers, academic affairs staff, and athletic department staff. Dr. Reed thanked the system presidents and the very engaged work group members for helping to create a solid policy.

On motion of Regent Levy, seconded by Regent Weill, the Board voted unanimously to approve the Dual Uniform Policy on Power-Based Violence and Title IX and to direct staff to work with the systems on automation of the forms needed for uniform reporting.

COVID-19 UPDATE

Chair David welcomed State Health Officer Dr. Joseph Kanter, to provide an update on COVID-19. Dr. Kanter said that the state was currently in the upswing of the fourth and worst surge, with more COVID-19 cases diagnosed daily than during any other time in the pandemic. He said the situation was dire in our hospitals because there are not enough qualified staff to care for patients. He also explained that the influx of COVID patients was decreasing the ability of hospitals to provide quality care for patients with emergencies such as heart attacks and strokes. He did note that the state vaccination rate has increased over the past month, but warned that we must continue to mask, maintain distance and test regularly to mitigate the continued spread of the virus. Dr. Kanter said that until more of the population is vaccinated, our state remains vulnerable. Chair David asked how far we are from having an FDA-approved vaccination. Dr. Kanter said the Pfizer vaccine would likely be approved within the next few weeks and that the Pfizer and Moderna vaccines may be approved for emergency use in children ages five

and older before the new year. Regent May asked if Dr. Kanter had any idea of when we might see the peak of the current surge. Dr. Kanter said he had no way to know this, but if it is not within the next week or two, we could have a catastrophic situation in our hospitals. Regent Sterling echoed Dr. Kanter's sense of urgency in support of masking and social distancing, noting that clinicians are exhausted and often neither COVID nor non-COVID patients are receiving the higher level of care they deserve. She said that she greatly appreciated those who support masking, vaccinations, and social distancing. Chair David and Dr. Reed thanked Dr. Kanter for his presentation.

Dr. Reed said that we are focused on the return of students to campus, with each campus having its COVID protocols in place. She said that for campuses in need of support, we are working with Louisiana Department of Health (LDH) on providing assistance with testing and vaccines, and are re-surveying our campuses to get specific testing and vaccination needs so that we can secure pop-up sites on campuses with the help of the National Guard, US Department of Health and Human Services and FEMA. In addition, she noted that we will be pushing out a social media campaign through COSBP, "Masks Stop the Surge; Vaccines Stop the Pandemic; #studentsdotheirpart" later this week.

Chair David said that the Board has invited the system presidents to join us for our August 25, 2021 meeting so that they can update members on efforts to return to campus safely and the impact of COVID-19 on higher education in our state.

OTHER BUSINESS

Chair David wished Regent Sterling a happy early birthday. Dr. Reed thanked Ms. Gupta, Ms. Golden, and Dr. Allison Smith, Senior Program Administrator, for their excellent work on the Dual Uniform Policy on Power-Based Violence and Title IX.

ADJOURNMENT

There being no further business to come before the Board, the meeting was adjourned at 8:57 a.m.

Executive Summary

Facilities and Property

August 25, 2021

VIII.A.1. Act 959 Project: Nicholls State University Business Incubator

Act 959 of 2003 permits institutions to initiate certain capital projects not exceeding \$5M that are funded with self-generated/auxiliary revenues, grants, donations, local or federal funds. The University of Louisiana System Board of Supervisors submitted an Act 959 project on behalf of Nicholls State University (NiSU) to construct the new Bayou Region Incubator (BRI) on the NiSU campus. The new facility will assist in economic recovery in the Houma/Thibodaux metropolitan area by facilitating the creation of new businesses and jobs in the region. The project scope involves construction of a new 8,000 square foot (SF), one story facility for commercial use. The facility will contain office space for employees, university staff, and small business members of BRI, conference and meeting room space, and an open floor plan area for collaborative space. An architect will be selected in September and project design will begin immediately at that time.

The total project cost is \$2.6M. NiSU secured a grant from the Louisiana Community Development Block Grant CARES Act Program (CDBG-CV) to fund the project. The grant award also includes funding to hire an administrator for the first two years of operation. Due to the time restraints on the grant, the project must be completed within a two-year timeframe.

STAFF RECOMMENDATION

Senior Staff recommends approval of the Act 959 project submitted by the University of Louisiana System Board of Supervisors, on behalf of Nicholls State University, to construct a new business incubator on the Nicholls campus.

Program Terminations Louisiana State University and A&M College, McNeese State University and University of Louisiana at Monroe

Background Information

Board of Regents received requests to terminate the following programs:

1. PBC Autism Spectrum Disorder – UL Monroe
2. GC Early Childhood Education – LSU A&M
3. MEd Education Technology Leadership - McNeese

The requested terminations were requested by each institution and approved by each institution's respective system administration.

Staff Summary

UL Monroe

- **PBC Autism Spectrum Disorder:** The program was initially approved by the Board of Regents in 2018 and SACSCOC in 2019. The program was never fully implemented as the institution has been unable to recruit any students to the program and the primary faculty person responsible for the program recently retired. Termination of the program will have no impact on students or other programs at the institution.

LSU A&M

- **GC Early Childhood Education:** The GC in Early Childhood Education was approved by the Board of Regents in 2017. Since that time, there have only been two graduates. The certificate was intended to assist with recruiting efforts for the early childhood program, but most students are interested only in the master's degree program in part because the graduate certificate does not lead to teacher certification. Any student who is currently enrolled in the certificate program will be allowed to finish. However, no new students will be admitted to the program upon termination.

McNeese

- **MEd Education Technology Leadership:** Low enrollment has prompted the institution to request termination. McNeese is shifting focus of graduate coursework in education to the Curriculum and Instruction program. Students currently enrolled in the MEd Education Technology Leadership are expected to complete the degree by 2022 and no new students will be admitted to the program.

STAFF RECOMMENDATION

Senior Staff recommends approval of the termination of the following three programs:

1. PBC Autism Spectrum Disorder – University of Louisiana at Monroe
2. GC Early Childhood Education – Louisiana State University and A&M College
3. MEd Education Technology Leadership – McNeese State University

AGENDA ITEM VIII.B.2.a.i.

Letter of Intent to Develop a Bachelor of Applied Arts & Science Louisiana State University of Alexandria

Background Information

Louisiana State University of Alexandria (LSU-A) requests Board of Regents approval of a Letter of Intent (LoI) to create a proposal for a Bachelor of Applied Arts & Science (BAAS). The LoI was approved by the LSU Board of Supervisors and forwarded to the Board of Regents for consideration. The LoI was then circulated to Chief Academic Officers (CAOs) statewide for review and comment.

Staff Summary

Associate of Applied Arts (AAA) and Associate of Applied Science (AAS) degrees are designed to prepare students for direct entry into the workforce with a heavy focus on professional courses. These programs often require only 15 hours of general education while the more academically focused Associate of Arts (AA) and Associate of Science (AS) degrees require a minimum of 27. As graduates of applied associate degrees gain work experience, they often seek to further their education and consequently their earning power by completing a four-year baccalaureate program. These students often have difficulty transferring all previous coursework and must frequently complete far more than the typical 120 hours required for a bachelor's degree increasing time and expense until degree completion.

The proposed onsite and online BAAS will be a completer degree allowing students who have earned an AAA or AAS at an accredited community college to transfer the 60 hours of lower-level credit required by the associate degree to the proposed baccalaureate program. LSU-A plans to develop clear pathways and transfer agreements with regional community colleges. The flexibility of the degree will allow some students, particularly those who have transcripts from several institutions, to transfer up to 84 hours of earned credit to the program. This flexibility will be particularly useful for veterans and active-duty military who, because of the nature of military service, tend to earn credit from a variety of institutions and can be awarded credit based on the assessment of training received from military programs. The degree also provides flexibility for students who have completed applied arts or applied science courses, such as those in culinary arts, that may not be accepted for degree credit in most traditional baccalaureate programs. While common in some other states, this program would be the first of its kind in Louisiana.

1. **Value:** Per Regents' policy, this program meets the criteria of a Quality Credential of Value.
 - a. **Same or Similar In-state Programs:** The proposed program will be the first of its kind in the state.
 - b. **Workforce Demand and Job Opportunities:** While not directly tied to a specific industry, the proposed program provides opportunities for career advancement and increased earnings for students who have completed applied associate degree programs in various professional fields.
 - c. **Students:** On average, over 2,000 students per year graduate with applied arts and sciences associate degrees in Louisiana. LSU-A anticipates attracting working adults with these credentials, primarily from the local region, and projects initial enrollment of 55 students in year one reaching 100 students total by year 5.

2. Resources

LSU-A will be able to offer the proposed program at minimal additional cost as it will not have to hire additional full-time faculty during the first four years of the program's life; courses in the major will be taught by existing full-time and part-time faculty. It is anticipated that as the program develops and its enrollment increases, the

university will hire an instructor to teach the two Applied Arts and Sciences courses. This hire would likely take place in year five.

Staff Analysis

The proposed degree would provide access for students who complete job-focused applied associate degrees in fields like culinary arts, hospitality, manufacturing, and technology to complete a four-year degree without needing to complete courses in excess of the number typically required for a bachelor's degree. The goals of the program are in line with the Board of Regents Master Plan to increase access for adult students and develop the state's talent. LSU-A's program was developed by a faculty member who successfully developed a similar program in Texas where these programs are prevalent. The institution is well positioned to increase enrollment and to meet this specific need for the region and state.

STAFF RECOMMENDATION

Senior Staff recommends approval of the Letter of Intent to develop a full proposal for a Bachelor of Applied Arts & Science (CIP 30.9999) at Louisiana State University of Alexandria.

AGENDA ITEM VIII.B.2.a.ii.

Letter of Intent to Develop an MS in Architecture Louisiana State University and A&M College

Background Information

Louisiana State University and A&M College (LSU) requests Board of Regents approval of a Letter of Intent (LoI) to create a proposal for a Master of Science (MS) in Architecture. The LoI was approved by the LSU Board of Supervisors and forwarded to the Board of Regents for consideration. The LoI was then circulated to Chief Academic Officers (CAOs) statewide for review and comment.

Staff Summary

Over the past twenty years, the National Architectural Accrediting Board (NAAB) has prioritized the Master of Architecture (MArch) degree as the first professional degree over the traditional Bachelor of Architecture in accrediting new academic programs. As the MArch became professionalized, advanced research has increasingly been removed from graduate curricula. Paralleling this shift, the number and scope of post-professional Master of Science, Master of Arts, Doctor of Philosophy and Doctor of Design degree programs have grown to offer opportunities for advanced research in architecture that are typically unavailable in professional programs. LSU's new Doctor of Design (DDes) in Cultural Preservation was established to meet this need and the proposed MS in Architecture has been designed to further meet the demand for graduate level research programs in the field.

The proposed MS in Architecture will serve a distinct purpose from the institution's MArch by preparing students to engage in advanced research on disciplinary and interdisciplinary questions, knowledge, and methods of architecture in relation to contemporary cultural conditions, discourses, and societal and environmental challenges. The proposed MS will leverage resources from the LSU School of Architecture's MArch and DDes to advance student research and training preparing students for entry into doctoral programs and careers in academia, research-intensive professional practice, and public policy and administration. The MS is intended to serve students and returning professionals with degrees in architecture (BA, BS, BArch or MArch), as well as in allied fields such as landscape architecture, interior design, engineering, urbanism, urban design and planning, who wish to expand their professional capabilities into courses of research.

1. **Value:** Per Regents' policy, this program meets the criteria of a Quality Credential of Value.
 - a. **Same or Similar In-state Programs:** LSU, LA Tech, and UL Lafayette each offers the Master of Architecture (MArch), the professional architecture degree. Tulane offers the MS in Architectural Research & Design. LSU anticipates that undergraduate architecture and related programs in the state including the Bachelor's in Architecture (BArch) at LSU and the BS in Architectural Studies programs at LA Tech and UL Lafayette will be the primary sources of students for the proposed program.
 - b. **Workforce Demand and Job Opportunities:** The proposed post-professional master's degree offers students with either a professional BArch or MArch degree opportunities for advanced research, which is increasingly desired for academic careers in teaching design and increasingly required as preparation for entry into doctoral programs and careers in research. The program will also offer professionals opportunities to develop specialized knowledge and bring it directly back into practice.
 - c. **Students:** LSU anticipates that the program will attract both students entering directly from related undergraduate programs and architecture professionals looking to earn a research-focused graduate degree. Graduates will be prepared to go on to doctoral programs, careers in

architectural education, research- and development-intensive professional practice, and/or public policy and administration. The expected, initial cohort for the program is 3-5 students for the first year of the program, increasing to 6-10 students per year upon full implementation by year three.

2. Resources

The proposed program will be offered in the School of Architecture within the College of Art & Design. The program can be implemented with no additional costs. The degree will consist of existing courses in the School of Architecture, College of Art and Design, and other related departments outside the College. No new faculty appointments will be required for program implementation. If the program grows beyond current capacity, the School will pay additional compensation for any work requirements above current teaching levels for existing faculty and/or hire an adjunct professor. Two graduate assistantships will be included in the budget with the goal to increase to four assistantships by year two. The proposed degree will utilize existing equipment, laboratories, and teaching and administration spaces which are currently available within the College. Revenue based on projected enrollment will exceed expenditures for the first four years.

Staff Analysis

The proposed program fills a gap in student and professional needs for a degree in Louisiana that focuses on architecture research preparing graduates for academia and other research-based professions. The full proposal must include a full analysis of the demand for graduates in the workforce and address the impact on the state's existing MArch programs with the addition of the proposed MS.

STAFF RECOMMENDATION

Senior Staff recommends approval of the Letter of Intent to develop a full proposal for a Master of Science in Architecture (CIP 04.0902) at Louisiana State University and A&M College.

AGENDA ITEM VIII.B.2.a.iii.

Letter of Intent to Develop a PhD in Pathology & Translational Pathobiology Louisiana State University Health Sciences Center Shreveport

Background Information

Louisiana State University Health Sciences Center Shreveport (LSU HSC-S) requests Board of Regents approval of a Letter of Intent (LoI) to create a proposal for a Doctor of Philosophy (PhD) in Pathology & Translational Pathobiology. The LoI was approved by the LSU Board of Supervisors and forwarded to the Board of Regents for consideration. The LoI was then circulated to Chief Academic Officers (CAOs) statewide for review and comment.

Staff Summary

The proposed PhD in Pathology & Translational Pathobiology will provide students with a background in cell and molecular biology coupled with advanced training in disease processes to make critical advancements in the diagnosis and treatment of human disease. The increasing focus of biomedical research on translational research programs with implications in the treatment of human disease makes PhD training in pathology highly valuable to the research community. Research in the LSU HSC-S medical school pathology department will provide a unique opportunity for translating research findings from animal models to human patients due to the proximity of clinical collaborators and the availability of biological specimens for research. In 2020, the National Institutes of Health (NIH) awarded over \$700 million in research grants for Pathology research, the sixth highest ranking for any department. The Department of Pathology at LSU Health Sciences Center Shreveport receives \$4.4 million in annual funding and houses the NIH Center of Biomedical Research Excellence (CoBRE) for Redox Biology and Cardiovascular Disease, which provides core resources and educational opportunities for the local biomedical research community. The department is also engaged with the institution's Center for Cardiovascular Diseases & Sciences and the Feist-Weiller Cancer Center, which will enhance graduate student training and opportunities for funding. The establishment of the proposed program will elevate the profile of the pathology and translational pathobiology research taking place at the institution and aid in the recruitment of faculty and students focusing in this area of research.

1. **Value:** Per Regents' policy, this program meets the criteria of a Quality Credential of Value.
 - a. **Same or Similar In-state Programs:** Tulane offers a related PhD program with a narrow focus on cancer and immunology research. There is no other similar PhD program currently offered in Louisiana.
 - b. **Workforce Demand and Job Opportunities:** The addition of the graduate pathology degree will fill a currently unmet need for translational pathology research within the State of Louisiana and continue to build the clinical and biomedical research workforce in the region. Graduates will be prepared for work in industry, government, research, and academia.
 - c. **Students:** LSU HSC-S anticipates 2-3 new PhD students per year with total enrollment between 6 and 10 students in the program with full implementation by year three. Current LSU HSC-S PhD students from related departments wishing to focus on pathology will be attracted to the program. Targeted recruitment outside the institution will attract students interested in the field who previously may have overlooked the institution as an option.

2. Resources

The proposed doctoral program in Pathology and Translational Pathobiology will utilize existing resources and expertise developed within the Department of Pathology and Translational Pathology over the last few decades. Eight graduate faculty and researchers have a breadth of expertise that includes cardiovascular disease, diabetes, and cancer. Institutional investment needed to establish the planned PhD will be limited to graduate assistantships, administrative support, and recruiting costs estimated to be \$124,500 in year one increasing to \$208,500 by year five accounting for program growth. The program will consist of newly designed advanced pathology courses coupled with current courses taught by the institutions five graduate departments enabling graduate training tailored to the unique interdisciplinary needs of the students.

Staff Analysis

Currently, students do not have a clear opportunity to focus PhD study on pathology and translational pathobiology at LSU HSC-S other than indirectly through other doctoral programs at the institution. The proposed program will allow the department to recruit students and faculty directly, which the institution anticipates will increase the number of students focusing in this area at the institution. The department's strong faculty, external funding record, and involvement with major research on campus indicate a solid foundation for the development of a strong graduate program in a growing field.

STAFF RECOMMENDATION

Senior Staff recommends approval of the Letter of Intent to develop a full proposal for a PhD in Pathology & Translational Pathobiology (CIP 26.0910) at Louisiana State University Health Sciences Center Shreveport.

AGENDA ITEM VIII.B.2.b.i-v.

Proposed Undergraduate Certificates (5) Louisiana State University A&M, Louisiana State University of Alexandria and Nicholls State University

Background Information

In February 2019, the Board of Regents approved the addition of a new upper-level Undergraduate Certificate (UC) in Academic Affairs Policy 2.15, *Definitions of Undergraduate Degrees & Undergraduate/Graduate Certificates*. Designed as a focused, incremental, stackable credential, the UC can be linked to an existing degree program major as an additional focus area (concentration or minor), or it can be a stand-alone area of specialization to augment a student's educational background and/or to meet industry demand for higher level training. The certificate is comprised of at least 18 credits, of which at least half must be at the upper level.

The following undergraduate certificates are comprised of existing courses already offered by the institution, and will require no additional resources including faculty, facilities, and supplies that support the program, such as technology or library resources. All proposed programs were approved by each institution's respective management board and submitted to the Regents for consideration.

Staff Summary

Value: Per Regents' policy, these programs each meet the criteria of a Quality Credential of Value.

Louisiana State University A&M

- **UC Childcare Administration:** The proposed undergraduate certificate is an 18 credit-hour stand-alone credential with undergraduate coursework designed to provide students with knowledge of early childhood education and development and childcare administration. The courses have field-based components to prepare students for work in early learning environments with young children from birth to age 4 and to be prepared to direct early learning programs. Currently, there is no state-level certification for childcare directors similar to Educational Leadership for K-12 schools. The proposed certificate in Child Care Administration meets the criteria set forth by Bulletin 137 of the Louisiana Child Care Licensing Standards and creates a pathway for providing support for leaders in the field of early childhood. The target student population are teachers and/or directors currently working in childcare as well as those interested in becoming directors of childcare centers. Students may include individuals who already possess an undergraduate degree, those working on an undergraduate degree, or those with an Early Childhood Ancillary Certificate and want to become directors. As the program will be administered through LSU Online, the institution anticipates reaching students across the state as well as nationally. The Bureau of Labor Statistics (BLS, 2020) projects a 7% growth nationally in the need for childcare directors. Enrollment projections are modest with the initial enrollment of 15 students during year one, increasing to approximately 24 students by year five. The program will be offered 100% online.

Louisiana State University of Alexandria

- **UC Criminal Justice:** The proposed undergraduate certificate will provide a pathway for individuals who are already working in the criminal justice system and who wish to earn a postsecondary credential to advance in their careers. The proposed certificate will consist of 18 credit hours of criminal justice coursework. Students who complete the certificate program and who subsequently wish to enroll in the Bachelor of Science in Criminal Justice program will be able to apply all 18 credit hours toward the baccalaureate degree. Graduates with a criminal justice certificate can work as correctional officers and bailiffs, police officers and security professionals, detectives, and investigators. When combined with relevant degrees and work experience, the certificate can lead to

advanced, in-demand roles. According to the Bureau of Labor Statistics, careers for criminal justice graduates such as forensic science technician have a projected job growth rate of 14% and emergency management director with a projected job growth rate of 5% from 2018-2028. The institution anticipates an initial enrollment of 15 students in year one with an additional five students enrolled each subsequent year reaching 35 students by year five. Courses for the program are offered face-to-face and online.

Nicholls State University

- **UC Foundations of Business Analytics:** The proposed undergraduate certificate is a 20 credit-hour program designed to provide students with an understanding of statistics, data management and analysis as well as using data to solve business problems and to improve strategic decision-making. The knowledge derived from this certificate will add value to a variety of degree programs as data is increasingly utilized in day-to-day decisions made across all industries. This certificate will prepare students to better use data and make data driven decisions. Nicholls currently offers a minor in business analytics in which students majoring in other business disciplines such as Accounting, Finance, CIS, Business Administration and Marketing often add to their program of study. Redesigning the minor as an undergraduate certificate will make the program more appealing and marketable as students completing the certificate will walk away with a recognizable credential. The target student population will consist of students in the College of Business Administration as well as students enrolled in other disciplines who seek business analytics skills. The projected number of certificate completers in year one is five students increasing to 20 completers by year five. Courses for the program are offered on campus through face-to-face format.
- **UC Foundations of Management:** The proposed undergraduate certificate will offer concentrated study and training in current management theory, technology, and application. The certificate is designed for individuals who are earning a bachelor's degree in any field and seek competence in the foundation of management. The certificate will consist of 18 credit hours of upper-level coursework consistent with the current management minor and will better serve students with a recognizable credential to supplement specific discipline knowledge and demonstrate a basic understanding of core management principles. All management majors will complete the required courses as they work toward their four-year degree and will be encouraged to apply for the undergraduate certificate. Other disciplines such as Culinary Arts often pursue a management minor. These students would now be able to opt for the UC and receive a more marketable credential. The institution anticipates the completion of 35 students in year one, reaching a total of 70 completers by year five. Courses for the program are offered through face-to-face format on campus.
- **UC Foundations of Marketing:** The 18-credit hour curriculum required for the proposed undergraduate certificate will allow students to learn basic marketing concepts and strategies for handling products, pricing, promotion, and distribution. The curriculum is consistent with the current marketing minor. This certificate provides an opportunity to develop a basic understanding of the foundations of marketing. For example, culinary students with a UC in the Foundations of Marketing would increase their options for restaurant marketing or business ownership in the culinary field. Likewise, pre-professional fields in mass communication, digital arts, nursing, fine arts and education are all majors that would benefit from this credential to further career options. All marketing majors will complete the required courses as they work toward their four-year degree and will be encouraged to apply for the undergraduate certificate. Students who do not complete the four-year program can still obtain a college credential and demonstrate the value of their college work. The institution anticipates 15 students will complete the program in year one, increasing to 43 by year five. Courses for the program are offered through face-to-face format on campus.

Staff Analysis

Undergraduate certificates were designed to leverage institutional resources into shorter, specifically targeted credentials consisting primarily of upper-level undergraduate course work. Since the February 2019 approval of UCs, the Board has approved 31 programs that are currently being implemented. Approval of the proposals as presented will bring the state's inventory to 36. Given that the UC is a relatively new credential in Louisiana, it is difficult to assess the long-term potential of these programs before full implementation. Staff support the innovative approach many institutions are taking with these programs in areas that support student and industry needs. Regular progress reports are required for all new undergraduate certificates; staff will closely monitor program progress and value for the statewide inventory of these programs. An annual report will be presented to the board with this information.

STAFF RECOMMENDATION

Senior Staff recommends conditional approval of the following Undergraduate Certificates with progress reports due October 1, 2022:

Louisiana State University A&M

- **UC Childcare Administration (CIP 13.1210)**

Louisiana State University of Alexandria

- **UC Criminal Justice (CIP 43.0199)**

Nicholls State University

- **UC Foundations of Business Analytics (CIP 52.1201)**
- **UC Foundations of Management (CIP 52.0201)**
- **UC Foundations of Marketing (CIP 52.1401)**

AGENDA ITEM VIII.B.2.b.vi.

Proposed Bachelor of Science in Integrated Science and Technology Southeastern Louisiana University

Background Information

Southeastern Louisiana University (SLU) has requested Board of Regents' approval to establish a Bachelor of Science (BS) in Integrated Science and Technology (ISAT). The Letter of Intent was approved by the Board of Regents in October 2019. After conversations with Regents' staff, the institution worked to address issues raised during LoI review process and submitted a full proposal in November 2020. Staff corresponded and met with faculty and SLU administration to further clarify curriculum and degree value for the unique proposed program. A final addendum to the proposal, approved by the UL System, was submitted by the campus in June 2021.

Staff Summary

The proposed 120-credit hour curriculum is designed to provide a broad-based, flexible science curriculum to meet student and employer needs in an increasingly complex market. Departments within the College of Science and Technology at SLU offer degrees in Biological Sciences, Chemistry, Computer Science, Engineering Technology, Industrial Technology, Mathematics, Physics and Occupational Safety Health & Environment. However, some professions are better served by graduates with more multidisciplinary learning experiences. The proposed ISAT will reflect the dynamic nature of many emerging industry positions. In order to ensure that all graduates from the BS in ISAT program are exposed to modern technology and computing coursework, a minimum of 18 credit-hours of the 36 hours of major concentrations will be required from a technology rich (computer science and engineering technology) category of courses identified by a committee of faculty representing a breadth of STEM disciplines. Examples of concentrations within the program include bioinformatics, biomechanical/biomedical engineering and environmental sciences.

1. **Value:** Per Regents' policy, this program meets the criteria of a Quality Credential of Value.
 - a. **Same or Similar In-State Programs:** The proposed multidisciplinary program will be the first of its kind in Louisiana. Concentrations are offered at LSU A&M, LA Tech and ULL that incorporate a similar interdisciplinary approach, but the proposed program will be the only program in the state to provide the breadth of flexibility within one degree to meet the rapidly changing needs of industry.
 - b. **Workforce Demand and Job Opportunities:** According to the US Bureau of Labor Services' Occupational Outlook Handbook, employment in professional, scientific, and technical services is projected to grow by 34% with employment in management, scientific and technical consulting services to expand to nearly 83%. At the state level, the need for this program is related to the growing number of technology companies that have moved into the state. SLU has established a partnership with DXC Technology in New Orleans who is committed to hiring 2,000 new employees in Louisiana within the next five years. DXC provides technology solutions to a broad range of industries and has expressed strong support for participating in the proposed program and is ready to hire their graduates. ELOS in Hammond has also expressed strong support for the program and maintains that individuals who have computer science, engineering and science backgrounds are vital to the company's operations.
 - c. **Student Enrollment and Completion:** Projected initial enrollment in the program is based on interest from students currently enrolled in the institution's Computer Science and Information Technology curriculums as well as Engineering Technology and Occupational Safety Health & Environment. The program is also expected to attract students from SLU's Bachelor of General Studies program with specific interest in STEM fields. The institution anticipates recruiting new first year students directly

into the program. Graduates from this program may naturally continue into the Master of Science in Integrated Science and Technology program currently offered at the University. Student enrollment is predicted to begin with 30 students in year one, increasing to 78 students by year five.

	Year 1	Year 2	Year 3	Year 4	Year 5
Total Program Enrollment	30	42	54	66	78
Program Graduates	0	15	24	32	40

2. **Resources:** All courses required for the proposed program are currently offered at the institution as part of other degree programs. Students will have access to multiple ISAT designated advisors from different departments within the college to assist with degree and career planning. Current faculty will cover new courses designed for the program in a team-taught model to ensure the breadth of expertise required to meet student needs while minimizing the need for additional faculty to meet program demand.

	Current	Needed	Additional Costs
Faculty	No new faculty needed to initiate the program as current faculty will teach courses and assist with advising.	As enrollment grows, the institution projects there may be need for additional faculty advisors.	Yr. 1: \$0 Yr. 2: \$50,000 Yr. 3+: \$50,000 Estimated cost depending on enrollment needs.
Physical (Facilities, Equipment, Library, & Technology)	Existing facilities and related resources are adequate to support the program.	No additional resource needs projected.	\$0
Student Support	Existing non-academic student support resources will be adequate for the proposed program.	No additional resource needs projected.	\$0

3. **Master Plan Priorities:** The following aspects of the proposal directly address priorities or goals of the statewide attainment goal and 2030 Master Plan.

- **Partnerships:** The program currently has partnerships with DXC Technology in New Orleans and ELOS of Hammond. Both companies have committed to working with the institutions and establishing senior internships that may ultimately result in the hiring of graduates as full-time employees.
- **Work-based learning:** Students will be required to complete undergraduate research in one of the ISAT departments and will require all students to complete a professional internship in a relevant field. The program will emphasize the importance of hands-on experiences in science and technology. SLU continues to work with regional industry to build partnerships and opportunities for students.
- **Affordability:** SLU anticipates that most courses will be taught using faculty developed or industry partner resources, reducing textbook costs for students. When textbooks are required, students will be able to rent them as a campus-wide commitment to reducing textbook costs.

Staff Analysis

The proposed program will serve as a flexible Interdisciplinary STEM degree that can be adapted to fast-changing and diverse science and technology-related careers. The program is designed to build a broad understanding of science and technology while utilizing concentrations to build a student's expertise in a particular focus area. One of the main strengths of the program is the ability to offer students a rigorous but agile alternative to obtain a STEM degree that is tailored to individual and workforce needs. The goals of the program are in line with the Board of Regents Master Plan to broaden STEM offerings in high demand fields across the region. Staff strongly support the program concept as it has the potential to meet the needs of future science and technology careers.

STAFF RECOMMENDATION

Senior Staff recommends approval of the proposed BS in Integrated Science and Technology at Southeastern Louisiana University with a progress report due June 1, 2023.

AGENDA ITEM VIII.B.3.

AY 2021-2022 MASTER COURSE ARTICULATION MATRIX and LOUISIANA COMMON COURSE CATALOG

STAFF SUMMARY

The Board of Regents developed the Master Course Articulation Matrix (Matrix) in 2003 as a resource for students who plan to transfer to public postsecondary institutions in Louisiana and aid institutions in awarding appropriate course credit to transfer students. The matrix is a comprehensive list of course equivalencies among public postsecondary institutions, primarily general education core subject areas. During the spring semester of each year, campus faculty review the course listings and provide updates and revisions to Regents' staff. For new courses to be included on the matrix each year, all campuses vote on the proposed courses; five campuses must affirm the addition of the course for the course to be added to the matrix.

In response to ACT 356 (2009), which required the implementation of a statewide common course numbering system "to facilitate program planning and the transfer of students and course credits between and among institutions," the *Louisiana Common Course Catalog* (LCCC) was developed. The LCCC includes a statewide rubric, common course numbers, and basic descriptions of common content to be covered for each course on the matrix. The common course descriptions, developed and reviewed by faculty from throughout the state, ensure that a student who transfers with a course from one institution will succeed in a subsequent course at another. The matrix lists the common course numbers and titles in the first column (along the left side) next to each institution's corresponding equivalent course numbers (sample attached).

The 2021-22 Matrix accurately reflects the current statewide articulation of those academic courses approved by at least five public postsecondary institutions. The matrix will be posted on the Regents' website as a spreadsheet so that columns can be manipulated for better utility.

In 2020-21, Regents staff convened the Statewide Articulation and Transfer Council (SATC) on topics related to the matrix. Throughout the year, SATC approved the following actions associated with the Articulation Matrix in general: 1) expansion of the matrix to include technical courses for students participating in the Jump Start program; and 2) inclusion of non-public LA institutions on the matrix.

STAFF ANALYSIS

For Academic Year 2021-22, Regents' staff, with approval from SATC, sent an invitation to Louisiana non-public institutions in the Louisiana Association of Independent Colleges and Universities (LAICU). Three institutions – Franciscan Missionaries of Our Lady University, Louisiana College, and the University of Holy Cross – submitted coursework for inclusion in the 2021-22 Articulation Matrix. Regents' staff have received feedback from other non-public institutions interested in future participation in the matrix. The addition of these universities will be a valuable resource for our transfer students and advisors who utilize the matrix.

Regents' staff are currently working with LDOE representatives to identify technical courses for addition to the matrix at a future date.

The approval process began in Spring 2021 when the Chief Articulation Officers (CARTO), with faculty input, reviewed the matrix and the statewide common course descriptors. Throughout this period, institutions submitted changes (e.g., new courses to be added, changed course numbers, or revisions when courses are dropped from the campus catalog).

If an institution did not affirm its matrix entries or provide feedback on specific courses, the relevant courses are highlighted on the matrix to indicate that entries are still considered tentative for that campus. Regents'

staff will continue to work with that campus's Chief Articulation Officers and faculty representatives from each institution to complete and refine the matrix throughout the year.

This year's version of the matrix includes one proposed course addition and numerous course rubric and number changes. Additionally, Regents' staff and SATC will work with campus Chief Articulation Officers (CARTO) to further align course articulations as exact equivalents rather than transferring by title.

The updated LCCC and Articulation Matrix are presented to the Board of Regents for information and approval for continued use by students and institutions. Attached to this summary are sample pages of the revised matrix and LCCC. Both documents are available upon request or may be accessed on the BoR website through the *Quick Links*]: "[Master Course Articulation Matrix](#)" upon final approval from the Regents.

The Articulation Matrix and LCCC provide a valuable and necessary service to students, advisors, and faculty across the state. It is recognized that such review efforts need to continue to refine and expand these tools.

STAFF RECOMMENDATION

Senior Staff recommends approval of the Academic Year 2021-22 Master Course Articulation Matrix and the Louisiana Common Course Catalog, authorizing BoR staff to continue to work with the institutions to expand and update the Matrix and the Catalog throughout the year.

LOUISIANA BOARD OF REGENTS¹
MASTER COURSE ARTICULATION MATRIX²

ACADEMIC YEAR 2021-2022

Preface

Numerous course transfer equivalency agreements exist among Louisiana’s public postsecondary institutions. The prerogative for accepting a course for degree, general education, or elective credit belongs to the institution a student intends to transfer to (the “receiving institution”). Students are therefore urged to contact the receiving institution for definitive answers to the following questions:

- whether the course will count toward a particular major, and under what conditions (e.g., if a letter grade of “C” or better is required for degree credit);
- whether and under what category the course will satisfy the receiving institution’s general education requirements.
- any other articulation agreements that may exist between campuses.

Faculty, deans, and department heads worked together to establish the common course content included in the *Louisiana Common Course Catalog* descriptions and a Common Course number for the courses listed on this matrix. (www.regents.la.gov; *Data & Publications*; *Master Course Articulation Matrix*). Contact the campus Transfer Liaison identified on the campus’ transfer/articulation web for questions about course articulation.

Courses

The leftmost columns of the matrix show a list of courses by their Common Numbers and Titles. They are grouped alphabetically by common subject categories, e.g., **Accounting; Biological Sciences; Chemistry; English; History; Mathematics; and Psychology**. Each additional column shows the course at a particular institution. Matching courses listed in the rows will be accepted in transfer, as indicated.

- Students are encouraged to complete course sequences *before* transferring, whenever a major requires a sequence (e.g., foreign language, lecture & lab, etc).
- When a campus lists a course number on the matrix as ***, it will credit the transfer course ‘by title’ – it does not offer an equivalent course.
- A course entered as --- indicates that the campus offers that course at a different credit value than the row indicates, e.g., calculus for 4-credits rather than 5-credits. Contact the institution about the transfer, e.g., the option of a departmental exam for full credit when transferring with a lower-credit course.
- Courses that do not appear on the matrix may still be accepted for credit. Students are urged to ask the receiving institution about other options.

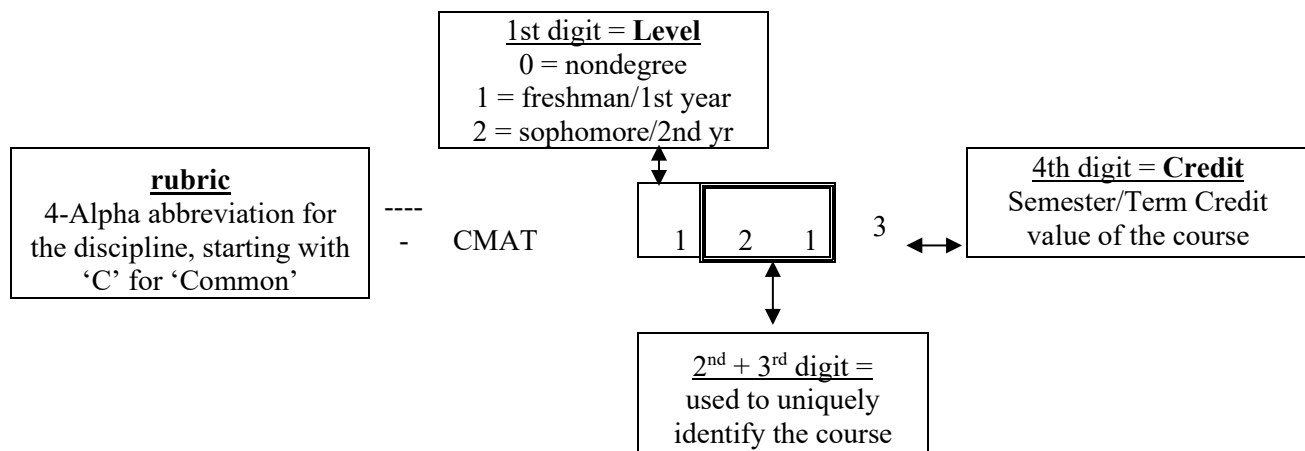

Louisiana Common Course Numbers (CCN)

Each course in the matrix is identified by a four-character “rubric” (a prefix/department abbreviation) and a four-digit number. Each rubric begins with “C” to signify that it is a state “Common” number so that when they are included in campus catalogs and websites, their meaning will be clear. Lectures and corresponding Labs will be in the same number group, differentiated by credit value.

¹ *The Board of Regents does not decide course equivalencies, but coordinates, monitors, and publishes the broadest areas of agreement relative to specific courses offered by the state’s public institutions of higher education. This matrix is approved as a work in progress, to be expanded throughout AY 2021-2022.*

² *Courses in the matrix have been evaluated by appropriate faculty at the institutions and are considered equivalent to each other and will be accepted for credit.*

The first digit of the course number denotes the academic level of the course; the second and third digits establish course sequencing and/or distinguish the course from others of the same level, credit value, and rubric; and the fourth digit denotes the credit value of the course in semester hours.

All rubric/number course identifiers correspond to course descriptors listed in the Louisiana Statewide Common Course Catalog, published by the LA Board of Regents. The catalog contains the academic courses for which there is statewide agreement among discipline faculty representatives as to the minimum course content to be covered so that a student completing the course will be ready for the next course for which it is a prerequisite in a sequence or curriculum.

VIII. Reports and Recommendations

C. Statewide Programs

1. Consent Agenda

- a. Approval of Initial Rulemaking to Implement Act 334 and Act 95 of the 2021 Regular Session of the Louisiana Legislature
- b. Approval of TOPS Exception

Agenda Item VIII.C.1.a.

Consent Agenda: Approval of Initial Rulemaking to Implement Act 334 and Act 95 of the 2021 Regular Session of the Louisiana Legislature

Background:

Act 334 of the 2021 Regular Session of the Louisiana Legislature adds African American History as a course which may be used to satisfy the TOPS core curriculum requirement for social studies. Students will still be required to complete a course in American History and in American Government. African American History may be used to satisfy one of the two additional social studies courses for which a student must earn credit.

Act 95 makes several changes to address issues that were raised by constituent circumstances. As part of the recommendations made by the TOPS Task Force conducted by the Legislature in 2016, LOSFA is to report to the House and Senate Education Committees issues that have come before the agency which cannot be resolved through rulemaking alone.

First, Act 95 changes all references to regional accrediting agency to institutional accrediting agency. The U.S. Department of Education recently amended its regulations, and legislation was necessary to implement those amendments in the TOPS statutes.

Second, Act 95 allows students to utilize a qualifying score obtained on a national ACT test date in July immediately following high school graduation to qualify for TOPS. Prior to the passage of this bill, students could only utilize a test score achieved after June of the year of high school graduation if circumstances beyond the student's control, and which were attributable to the administration of the test, prevented the student from taking the ACT prior to high school graduation. If a student qualifies for TOPS utilizing a test score achieved in June or July immediately following high school graduation, they will lose one full semester (or two quarters) of TOPS eligibility. This provision will be implemented through programming in the Louisiana Award System.

Act 95 also provides that the administering agency may grant several different types of exceptions with regard to the ACT deadline established in statute and to the requirement that a student begin home study program no later than the end of the tenth grade year. Only one of these types of exceptions are provided for in the attached rulemaking. The remainder of the exceptions will be handled under the existing exceptional circumstances exception type. These will be presented to the Advisory Board for action, and if approved, will go before the Board of Regents for final approval.

The first of these exceptions provides that the administering agency may extend the final ACT deadline for 2021 graduates if the student provides documentation that he was registered for an ACT test that occurred prior to high school graduation, but the test was canceled due to actions taken to mitigate the spread of COVID-19 or due to Hurricane Laura, Hurricane Delta, or Hurricane Zeta. The student must also document that he was unable to reschedule a test prior to the final deadline to achieve a qualifying score. The requirements for granting such an exception are specifically set forth in Act 95, and as a result, are included in the attached rulemaking. Under these circumstances, students will not lose one semester (or two quarters) of TOPS eligibility.

Act 95 also allows the administering agency to grant exceptions to the final ACT deadline in future years, provided that the student must achieve a qualifying score on or before September 30 of the year of high school graduation. This provision requires that the student present circumstances that were beyond his control and which were attributable to the administration of the test. Circumstances would include, but would not be limited to, hurricanes, flooding of the test site, etc. Under these circumstances, students will not lose one full semester (or two quarters) of TOPS eligibility.

Finally, Act 95 allows the administering agency to grant exceptions to the requirement that a home study student begin such a program no later than the end of their tenth grade year. Current law does not allow such an exception. LOSFA has received requests for exception to this requirement in the past due to circumstances including serious illness, severe bullying, and family relocation, and the administering agency has been unable to grant such exceptions. Students will be required to submit a Request for Exception form and supporting documentation for this type of request as well.

LOSFA Advisory Board Recommendation

The LOSFA Advisory Board recommends approval to authorize the Executive Director of LOSFA to publish a notice of intent to make these rules permanent.

Agenda Item VIII.C.1.b.

Consent Agenda: TOPS Exception

Requests for exception to the TOPS regulatory provisions that require students to remain continuously enrolled and to earn the annual credit hours required during the academic year.

Background:

Sections 705.A.6 and 7 of the TOPS administrative rules require TOPS recipients to continue to enroll in the fall and spring semesters of each academic year, to remain enrolled throughout the semester, and to earn the annual credit hours required by the end of the academic year. Section 2103.E authorizes the governing body to grant an exception to these requirements when the “student/recipient has exceptional circumstances that are beyond his immediate control and that necessitate full or partial withdrawal from or non-enrollment in an eligible postsecondary institution.”

One request for exception was reviewed and approved by the LOSFA Advisory Board at its meeting of June 10, 2021. The students have presented facts and circumstances that the students believe justify the granting of an exception as an exceptional circumstance.

LOSFA Advisory Board Recommendation

The LOSFA Advisory Board recommends approval of TOPS requests for exception as presented.

AGENDA ITEM VIII.D.1.a.

Appointment of Endowed Chairholder without National Search: University of New Orleans

Background Information

At its January 12, 2015 meeting, the Board unanimously approved the following revision to the Endowed Chairs for Eminent Scholars policy:

Effective immediately, all campuses shall provide documentation to the Commissioner of Higher Education that each Chair vacancy is being filled – whether externally or internally – following a national search. Any request for waiver of this policy shall be made in writing to the Commissioner of Higher Education and reviewed by external consultants. Upon receipt of the consultants' response, the Commissioner will provide a formal recommendation for consideration and approval by the Board of Regents. Board approval of the waiver must be provided prior to appointment of the chairholder. The Board reserves the right to render a campus not in compliance with this policy to be ineligible for new Endowed Chairs funds.

Staff Summary

The Herman and Ethel Midlo Endowed Chair in New Orleans Studies, a \$1 million Chair at the University of New Orleans matched by the Board of Regents Support Fund in FY 1997-98, has been held since 2013 on an interim basis by Dr. Mary Niall Mitchell. UNO is requesting to appoint Dr. Mitchell permanently to the Midlo Chair without a national search. Dr. Mitchell is a distinguished expert in the history of New Orleans and has served as both Director and Co-Director of the Midlo Center for New Orleans Studies. Her qualifications and experience are appropriate to requirements outlined in the Endowed Chairs program policy for appointment of an internal candidate without a national search.

STAFF RECOMMENDATION

Senior Staff recommends approval of the University of New Orleans' request to appoint Dr. Mary Niall Mitchell to the Herman and Ethel Midlo Endowed Chair in New Orleans Studies without a national search. As stipulated in Board policy, the Letter of Appointment to Dr. Mitchell must be submitted to the Board within 90 days of this approval.

AGENDA ITEM VIII.E.1.a.i.(a).
High Tech High Graduate School of Education
San Diego, California

BACKGROUND

High Tech High Graduate School of Education (HTH GSE) is a non-profit higher education institution with its main campus located in San Diego, California. The university is accredited by the Western Association of Schools and Colleges – Senior College and University Commission.

ACADEMIC PROGRAM

HTH GSE offers one master’s program in Educational Leadership that is a professional, practice-oriented pathway that helps to develop students into school and teacher leaders while supplying hands-on practice with real life situations to develop knowledge of application in the field. Currently, the university has 5 students in its Louisiana Unduplicated Headcount Enrollment.

Degree Level	Louisiana Unduplicated Headcount Enrollment
Doctorate	0
Master’s	5
Bachelor’s	0
Associate	0
Other	0
Total	5

FACULTY

HTH GSE has 2 full-time and 8 part-time faculty at various degree levels.

FACILITIES

HTH GSE is planning to offer 100% online instruction to Louisiana residents.

STAFF RECOMMENDATION

Given the scope of the programs and the credentials of its faculty, the institution’s campus, program accreditation, and the general oversight by the home campus, Senior Staff recommends approval of the application for an *initial* license for High Tech High Graduate School of Education (HTH GSE).

AGENDA ITEM VIII.E.1.a.ii.(a).
American University of Technology
New Orleans, Louisiana

Background

Revised Statute 17:1808 requires the Board of Regents to register and license academic degree-granting, post-secondary institutions in Louisiana. Regents' rules and regulations overseeing the review process echo the revised statutes, emphasizing the attainment of appropriate accreditation.

American University of Technology (AUTech) has identified the Distance Education Accrediting Commission (DEAC) as its desired accreditation agency. DEAC accreditation aims to instill public confidence in DEAC institutions' missions, goals, performance, and resources through a rigorous application and peer-developed accreditation standards.

Overview of American University of Technology

The mission of the University is to produce reflective agents of change in informational technology, business, and creative industries that are better positioned to solve social and economic problems in society now and in the future. According to their proposal, they strive to deliver world-class programs that equip students with practical ideas, functional knowledge, and technical tools necessary to become next-generation entrepreneurs, inventors, and leaders through their application-focused programs in Information Technology, Digital Media Technology, and Entrepreneurship.

The American University of Technology plans to implement two instructional approaches, Self-Paced Learning and Cohort-Based Learning, that respond to the need for postsecondary education designed for working adults and others who are unable to attend traditional programs on-campus.

The College plans to offer the following programs:

- **Certificate in Information Technology**
 - *Program Objective: this program provides students with specialized concentrations in cybersecurity, network security, Linux security and ethical hacking.*
- **Bachelor of Science in Business and Technology Management**
 - *Program Objective: this program provides students with specialized concentrations in cybersecurity, business analytics, technology entrepreneurship and human resource management.*
- **Bachelor of Science in Digital Media and Web Technology**
 - *Program Objective: this program provides students with specialized concentrations in digital media, e-learning technology, web technology and UX/UI design.*
- **Master of Science in Information Systems and Technology**
 - *Program Objective: this program provides students with specialized concentrations in cybersecurity, informatics and data analytics, media technology, and instructional systems and technology.*

- **Master of Business Administration**
 - *Program Objective: this program provides students with specialized concentrations in technology entrepreneurship, information technology management, human capital development and leadership and organizational management.*

- **Doctor of Business Administration**
 - *Program Objective: this program provides students with specialized concentrations in technology management, human capital development and strategic communication.*

Academic Leadership and Faculty Qualifications

The American University of Technology identified academic leadership and faculty to develop and deliver quality distance education programs.

David Akanbi serves as the President. He is a certified eLearning developer with twelve years of professional experience in learning technology, knowledge management, instructional systems design, and multimedia content development. He earned a Bachelor of Science in Digital Media and Web Technology, Master of Education in Learning and Technology, a Master of Science in Information Systems and Technology management and a Master of Business Administration. He is currently pursuing a Doctor of Philosophy in Human Capital Development from the University of Southern Mississippi.

The College submitted resumes for fifteen faculty who will provide instruction for the six programs they plan to deliver.

Chronology of Activities Related to Board of Regents' Consideration of the Application for Licensure for American University of Technology

February 2021 – The Board of Regents received an application for licensure from American College of Technology.

February 19, 2021 – American College of Technology informed Regents' staff of their decision to change the proposed college's name to American University of Technology and their new physical address.

March 2021 – Regents' staff conducted an initial assessment of license application submitted by AUTech and staff concluded that further internal assessment would benefit from an in-depth accreditation process.

March 2021 – Staff engaged the services of Ms. Susan Chiamonte, President, EduCred Services, to assess AUTech application for licensure and associated materials considering the proposed institution's probability of successful DEAC accreditation.

April 19, 2021 – AUTech's formal assessment report was emailed to the College's CEOs.

July 13, 2021 – Staff determined, with addition of the assessment from EduCred, that American University of Technology should be considered for conditional licensure.

Staff Conclusion

Given the circumstances described in the assessment report, American University of Technology (AUTech) merits a limited state licensure period to allow it enough time to seek DEAC candidacy and accreditation. This conditional licensure period should be subject to the fulfillment of several stipulations which require

step-by-step continuous evidence of progress toward accreditation. To avoid any doubts regarding the seriousness of the Regents' intent in the matter, AUTEch should structure these stipulations in such a way that failure to complete fully may result in the immediate revocation of the conditional licensure. The motion and stipulations below are designed to ensure that AUTEch operates within Louisiana only if there is unquestioned evidence that reasonable accreditation progress is being made.

STAFF RECOMMENDATION

Senior Staff recommends conditional licensure for American University of Technology, for three years, provided:

- 1. By August 25, 2022, and on that date every year thereafter, during the term of conditional licensure, AUTEch shall report to the Deputy Commissioner for Academic Affairs and Innovation the status of its progress toward preparation for submittal of an application for accreditation candidacy through DEAC. This report shall, at a minimum, provide evidence of attendance and participation of appropriate AUTEch officials at periodic DEAC workshops for pre-applicant institutions and general membership meetings.**
- 2. At the end of this period of conditional licensure, AUTEch shall provide evidence of the submittal of an application for DEAC candidacy. If accomplished, the Regents will consider another eighteen months of licensure. If not achieved, the Regents will consider the denial of further licensure.**
- 3. Within one year of applying for DEAC candidacy, AUTEch shall provide evidence of successful DEAC candidacy status. If granted, the Regents will consider extending licensure to allow for final accreditation review. If not accomplished, the Regents will consider the denial of further licensure.**
- 4. Upon termination of the allotted time for final accreditation review, AUTEch shall report its DEAC membership status. If DEAC accreditation has been granted, the Regents shall consider issuing a regular 2-year operating license. If not granted, the Regents will consider the denial of further licensure.**
- 5. At any point, if AUTEch does not progress toward accreditation, the Regents will consider the denial of further licensure.**

Agenda Item VIII.E.1.a.ii.(b).
Robert Cavalier University
New Orleans, LA

Background

Revised Statute 17:1808 requires the Board of Regents (BoR) to register and license academic degree-granting, post-secondary institutions in Louisiana. Regents' rules and regulations overseeing the review process echo the revised statutes, emphasizing the attainment of appropriate accreditation.

Robert Cavalier University (RCU) has identified the Distance Education Accrediting Commission (DEAC) as its desired accreditation agency. DEAC accreditation aims to instill public confidence in DEAC institutions' missions, goals, performance, and resources through a rigorous application and peer-developed accreditation standards.

Overview of Robert Cavalier University

The mission of the University is:

to provide high quality, accessible and affordable distance education offerings that consider prior learning, while providing the skills and knowledge needed to achieve personal and professional goals

RCU's initial offering is its 100% online MBA program. According to RCU's proposal, the program was founded with the primary aim of making quality education affordable and accessible to all those on a quest for knowledge.

MASTER OF BUSINESS ADMINISTRATION (MBA) PROGRAM

The Robert Cavalier University's (RCU) Master of Business Administration (MBA) degree consists of eleven courses and requires students to earn 36 semester credit hours. The University's master's degree program is designed to afford students mastery in academic disciplines and applied functional areas critical for success in business today.

According to RCU's proposal, the program covers topics that would prepare students including business, economics, finance, marketing, and other fields such as engineering and information technology. The program offers in-depth examination of current thinking, theories, models issues, and practices that contribute to the transformation of business and management organizations. The program was designed to encourage students to master topics including strategic management, marketing management, cross-cultural management, finance for managerial decision making, project management, cross-cultural management, finance for managerial decision making, project management, human capital management, business innovation and creativity, business ethics and corporate governance and business research methodology.

Master of Business Administration (MBA) Program: Curriculum Offerings

- Total Credits: 36 Semester Credit Hours
- Delivery Method: Online

Upon completion of the Master of Business Administration (MBA) degree program, students will be able to:

- *Examine the underlying concepts, principles, and theories related to the functioning of business organizations.*
- *Apply the knowledge and skills acquired in explaining the management of business organizations.*
- *Evaluate the challenges in managing business organizations from diverse cultural environments.*
- *Synthesize research findings and case studies and their application in the identification and solution of problems in a variety of business and management contexts in the region.*
- *Recognize how cross-cultural differences, policies, and regulations affect and impact the ways of doing business in different parts of the world.*
- *Effectively lead, spur innovations, analyze and solve problems while taking cognizance of ethics and sustainability.*
- *Demonstrate managerial and leadership qualities through communicating and working effectively.*

Academic Leadership

Robert Cavalier University (RCU) employs qualified academic leadership and qualified faculty to develop and deliver quality distance education programs.

Bala Kumar Thambiah serves as Chief Executive Officer and Chief Financial Officer. He earned a Bachelor of Accounting & Law from Federation University, Australia as well as a Master of Education Technology from University of Southern Queensland, Australia. Maheswari Kandasamy serves as the Chief Academic Officer and Colin Felix Pereira serves as the Executive Chair for the Board of Directors.

The University has identified seven faculty members to teach in the Master of Business Administration degree program. These faculty have earned one credential higher than the level they are teaching along with adequate professional or other applicable experience.

Chronology of Activities Related to Board of Regents' Consideration of the Application for Licensure Robert Cavalier University

January 2020 – The Board of Regents received an application for licensure from the Robert Cavalier University

March 2020 – Regents' staff conducted an initial assessment of the Robert Cavalier University.

August 2020 – Staff concluded that further internal assessment would benefit from an in-depth accreditation process.

August 2020 – Staff engaged the services of Ms. Susan Chiamonte, President, EduCred Services, to assess Robert Cavalier University's application for licensure and associated materials considering the proposed institution's probability of successful DEAC accreditation.

September 30, 2020 – Ms. Chiamonte submitted to the Board of Regents' staff her formal evaluative assessment report relevant to the University's application for initial conditional licensure.

April 19, 2021 – The Robert Cavalier University responded to the recommendations put forth by Ms. Chairamonte from EduCred with their corrections.

June 2021 – Staff reviewed the final revisions to the initial application for consideration for approval by the Board of Regents.

Staff Conclusion

Given the circumstances described in the assessment report, Robert Cavalier University (RCU) merits a limited state licensure period to allow it sufficient time to seek DEAC candidacy and accreditation. This conditional licensure period should be subject to the fulfillment of several stipulations which require step-by-step continuous evidence of progress toward accreditation. The motion and stipulations below are designed to ensure that RCU operates within Louisiana only if there is evidence that reasonable accreditation progress is being made.

STAFF RECOMMENDATION

Senior Staff recommends conditional licensure for RCU, for three years, provided:

- 1. By August 25, 2022, and on that date every year thereafter, during the term of conditional licensure, RCU shall report to the Deputy Commissioner for Academic Affairs and Innovation the status of RCU's progress toward preparation for submittal of an application for accreditation candidacy through DEAC. This report shall, at a minimum, provide evidence of attendance and participation of appropriate institution officials at periodic DEAC workshops for pre-applicant institutions and general membership meetings.**
- 2. At the end of this period of conditional licensure, RCU shall provide evidence of the submittal of an application for DEAC candidacy. If accomplished, the Regents will consider another eighteen months of licensure.**
- 3. Within one year of applying for DEAC candidacy, RCU shall provide evidence of successful DEAC candidacy status. If granted, the Regents will consider extending licensure to allow for final accreditation review.**
- 4. Upon termination of the allotted time for final accreditation review, RCU shall report its DEAC membership status. If DEAC accreditation has been granted, the Regents shall consider issuing a regular 2-year operating license.**
- 5. At any point, if RCU does not progress toward accreditation, the Regents will consider the denial of further licensure.**

(See Appendix)

The next item of business was the approval of the minutes from the May 11, 2021, Proprietary Schools Advisory Commission meeting.

On motion of Ms. Despino, seconded by Ms. Million, the Proprietary Schools Advisory Commission unanimously adopted the minutes of the May 11, 2021, Proprietary Schools Advisory Commission meeting.

The next agenda item considered by the Commission was the initial license application from Baton Rouge School of Phlebotomy, Baton Rouge, Louisiana. The school was represented by the school's owner, Jessica Shropshire. Ms. Johnson reviewed the materials for the Commission members, informing them that the institution was proposing to offer one (1) program Phlebotomy Tech, 144 clock hours and 12 Weeks. The program met all legal and administrative requirements to be approved for an initial

license. The Commission thanked Ms. Shropshire for her patience and commended her on a very thorough and complete application.

Following further discussion included requirement of license, cohort class size, beginning pay, and students' ability to use the phlebotomy program as a steppingstone to other medical careers.

On motion of Ms. Amrhein, seconded by Ms. Potter, the Proprietary Schools Advisory Commission unanimously voted that the Board of Regents approve the operating license for Baton Rouge School of Phlebotomy, Baton Rouge, Louisiana.

The next agenda item considered by the Commission was the initial license application from DEW Spa Institute, LLC, dba Synergy Massage Institute. The school was represented by the school owner, Ms. Erin Warner. Ms. Johnson reviewed the materials for the Commission members, informing them that the institution was proposing to offer one (1) program: Licensed Massage Therapist, 500 clock hours and 26 Weeks. The program met all legal and administrative requirements to be approved for an initial license.

Following further discussion included background of owner, motivation and inspiration to open the school, shortage of licensed massage therapists, starting pay, number of instructors, facility location for instruction, hours of classes, and preparation of students to take the test.

On motion of Ms. Potter, seconded by Mr. Broadwater, the Proprietary Schools Advisory Commission unanimously voted that the Board of Regents approve the operating license for Synergy Massage Institute.

The next agenda item considered by the Commission was a change of ownership application from MedCerts, LLC. The school was represented by the schools' Associate Director, Janea Rudder. Ms. Britton reviewed the materials for the Commission members, informing them that the application met all legal and administrative requirements to be approved for change of ownership due to an LLC purchase, and that the school was licensed in 2020 to offer a Pharmacy Tech Program.

Following further discussion included length of externship, tuition payment plan, no charge for laptops, grants for military personnel, and WIOA Grants.

On motion of Mr. Dorris, seconded by Mr. Broadwater, the Proprietary Schools Advisory Commission unanimously voted that the Board of Regents approve the change of ownership license for MedCerts, LLC, Baton Rouge, Louisiana.

The next agenda item to be considered by the Commission was a change of ownership application from BAR/BRI, Baton Rouge, Louisiana and BAR/BRI, New Orleans, Louisiana. Ms. Britton informed the Commission that the application for BAR/BRI was being pushed to the September meeting.

The next agenda item considered by the Commission was operating license renewals. There were twenty (20) schools who submitted renewal applications. Ms. Britton noted one school (Instructors for Life, LLC, #2302), chose not to renew their licenses and turned over student records to staff.

On motion of Ms. Despino, seconded by Ms. Million, the Proprietary Schools Advisory Commission unanimously voted that the Board of Regents renew the licenses of the following proprietary schools:

Advance Healthcare Institute, LLC, Prairieville (5/26/2011)
Ben D. Johnson Educational Center, Natchitoches (6/19/2019)
Blue Cliff College, Alexandria (5/25/2006)
CDL Mentors of Baton Rouge Truck Driving School (5/25/2006)
Delta College of Arts & Technology (6/25/1992)
Diesel Driving Academy, Baton Rouge (6/25/1987)
Global Trucking Academy, Marksville (6/29/2016)
Holmes Healthcare Training Center, Corp., New Orleans (6/19/2019)
Integrated Education Services, LLC, Violet (5/23/2018)
Lincoln College of Technology, Nashville, TN (5/22/2003)
Louisiana Institute of Massage Therapy, Lake Charles (5/22/2013)
Med-Advance Training, Prairieville (5/22/2017)
McCann School of Business, Monroe (5/23/2018)
Oak Park School of Dental Assisting, LLC, Lake Charles (5/28/2009)
Operation Spark, New Orleans (6/29/2016)
Ouachita Truck Driving Academy, LLC, Sterlington (5/22/2003)
Petra College, Inc., Hammond (5/27/2015)
Precision Welding Testing & Training, Geismar (5/23/2018)
Remington College, Lafayette (5/26/2011)
Remington College, Shreveport (5/26/2011)

The next agenda item was an update on program approvals. Chair Fontenot reminded the Commission that staff approved these updates administratively and program approvals were being shared for informational purposes only. No questions were brought forward regarding program approvals.

Other Business

Mr. Fontenot asked Ms. Britton for staff updates. Ms. Britton informed the Commission that there was one single comment on the rule changes and that the Board will vote in August on their

approval. The new rules will be printed in the State Register in September. Ms. Britton then discussed the contract with EdVera. She informed the Commission that the contract was partly paid for by Regents and that the remainder will be paid for from the Proprietary and Academic Affairs budgets. Next, Ms. Britton discussed the 2022 meeting dates with the Commission. It was decided a vote on the dates will be taken at the September meeting.

The next meeting of the Proprietary Schools Advisory Commission is scheduled for Tuesday, September 14, 2021, at 10:00 a.m., at the Claiborne Building, Thomas Jefferson Room, 1-136A. With there being no further business, the meeting adjourned at 10:47 a.m.

AGENDA ITEM VIII.E.2.
Rulemaking – Summary Report
Amendments to Louisiana Administrative Code Title 28 Part III and Title 28 Part IX
August 25, 2021

The Board reviewed and approved proposed rules changes at its meeting on March 24, 2021. On May 10, 2021, staff electronically forwarded the notices of intent on behalf of the Louisiana Board of Regents to amend the rules and regulations to LAC: Chapter 28, Section III, Proprietary Schools, and Chapter 28, Section IX codifying current practices and procedures into administrative law to assist in the oversight of licensed Louisiana proprietary schools and licensed institutions that fall under ACT 129. More specifically, this rulemaking provides reporting processes updates, including allowing for the digital submission of materials, expediting student complaint resolutions, and clarifying the types of records to be submitted to the Board of Regents. By transitioning from a self-defined, programmatic-level of collection to an annual, fiscal year reporting of student-level data, the Board of Regents and the Proprietary Schools Advisory Commission will be able to validate the postsecondary education and training contributions made by proprietary schools to Louisiana and properly track the attainment goals adopted in the Master Plan. The notices of intent were duly published in the May *Louisiana Register* and a public comment period was granted with the proposed published rules on May 20, 2021.

Of the 151 specific proprietary schools notified regarding the proposed change, one commented to the Board of Regents. The comment received from Becker Professional Education Services questioned the requirement of the collection of student-level information for some programs that provide training toward career testing, as required by Louisiana state law. Staff are prepared to make specific data exceptions for schools and programs in instances where the programs offered do not meet specific requirements as defined in Board Policy adopted in September 2020 regarding Quality Postsecondary Credentials of Value. Staff has determined that licensed programs currently provided by Becker do not meet the definition of the policy, and as such, staff will be able to work with the school to accommodate the request not to collect or maintain student level information. Such data is necessary to verify workforce and employment outcomes for students who complete programs providing a postsecondary credential. The Board of Regents plans for a phased implementation of this requirement so as to allow schools sufficient time and opportunity to adjust their data management practices for compliance purposes. This approach will also allow staff to carefully evaluate additional exceptions that may be necessary and consider whether any further rule changes are to be included in Code in order to address additional needs that may surface.

Of the 49 institutions subscribing to ACT 129 requirements for academic degree-granting institutions licensed by the Board, no comments were received by staff regarding the proposed rule change. The Board is advised that no hearings were requested or conducted regarding these rule changes, and staff have no testimony to submit.

As no hearings were requested or conducted regarding these rule changes, no changes have been made to the rule since the report was submitted. Upon review and approval by the Board, these rules are anticipated to be published in the September *Louisiana Register*.

STAFF RECOMMENDATION

Senior Staff recommends approval of the rules changes as amended and to be submitted to the *Louisiana Register* for publication on September 20, 2021.

Part III. Proprietary Schools

Editor's Note: The Statutory Authority for the rules contained in this Part were recodified in 2019 and moved from R.S. 17:3141 et seq. to R.S. 17:3140.1 et seq.

Chapter 1. General Provisions

§101. Citation and Abbreviation

A. These rules and regulations of the Board of Regents ("Board") govern the licensing and monitoring of proprietary schools operating in Louisiana upon the recommendation and advice of the ~~Proprietary Schools Advisory Commission~~ Advisory Commission on Proprietary Schools ("Commission").

AUTHORITY NOTE: Promulgated in accordance with R.S. 17:3140.2(F).

HISTORICAL NOTE: Promulgated by the Department of Education, Board of Regents, LR 33:1857 (September 2007).

§103. Definitions

Branch School—a separate facility established by a main school, under the main school's management, control and supervision. The branch may offer full student services and is under the supervision of a designated on-site employee responsible for the day-to-day operation of the branch. Each branch school shall be separately licensed and bonded.

Commission Staff—the staff of the board's Proprietary Schools Section, authorized to aid in the administration of the commission's functions.

Proprietary Schools—hereinafter referred to as "school", as defined in R.S. ~~17:3140.1+7:3141.2~~ and R.S. 17:3141.16(B)(4).

AUTHORITY NOTE: Promulgated in accordance with R.S. 17:3140.2(F).

HISTORICAL NOTE: Promulgated by the Department of Education, Board of Regents, LR 33:1857 (September 2007), amended by the Board of Regents, Proprietary School Section, LR 44:1005 (June 2018).

§105. Proprietary Schools Law and the Administrative Procedure Act Incorporated

A. R.S. 17:3140.1 et seq., inclusive, known as the Proprietary Schools Law, and R.S. 49:951 et seq., known as the Administrative Procedure Act, in their currently existing form and as may be amended, are hereby incorporated herein. All remedies and procedures available to the public under these laws, as they pertain to this commission, are hereby made available herein as rules.

AUTHORITY NOTE: Promulgated in accordance with R.S. 17:3140.1, R.S. 49:954.1(A), R.S. 17:3140.2(F).

HISTORICAL NOTE: Promulgated by the Department of Education, Board of Regents, LR 33:1857 (September 2007).

§107. Computation of Time

A. In computing a period of time allowed or prescribed by these rules, by law or by order of the commission or of court, the date of the act, event, or default after which the period begins to run is not to be included. The last day of the period is to be included, unless it is a legal holiday or a day of the weekend, in which event the period runs until the end of the next day, which is not a legal holiday or a day of the weekend.

AUTHORITY NOTE: Promulgated in accordance with R.S. 17:3140.2(F), La. C.C.P. art. 5059.

HISTORICAL NOTE: Promulgated by the Department of Education, Board of Regents, LR 33:1858 (September 2007).

Chapter 3. Procedures

Subchapter A. General Procedural Rules

§301. Initiation of Proceedings

A. Proceedings. Proceedings for the adoption, amendment, or repeal of a rule may be commenced

by the board or commission upon its own initiative or pursuant to reasonable grounds therefore. The commission however, shall initiate procedures to adopt, amend or repeal a rule whenever the attorney general requests same.

B. Process for Initiation. Any interested person may petition the commission requesting the adoption, amendment, or repeal of a rule. The petition shall be filed in the office of the commission located at the Claiborne Building, the Louisiana Board of Regents, Proprietary Schools Section, 1201 N. Third St., Suite 6-200, Baton Rouge, LA 70802 or P.O. Box 3677, Baton Rouge, LA 70821, or such other address in the event the commission relocates, at any time during normal office hours, from 8 a.m. to 4:30 pm, except for legal holidays and the weekend. Within 90 days after submission of a petition, the commission shall either deny the petition in writing stating reasons for the denial, or shall initiate rule-making proceedings in accordance with these rules. Any person whose petition is not deemed by the commission sufficient to warrant the holding of a rule-making proceeding will be promptly notified of that determination and may be given an opportunity to submit additional data.

C. Investigations and Conferences. In connection with any rule-making proceedings, the commission at any time may conduct such investigations, make such studies, and hold such conferences as it may deem necessary.

D. Notice. Prior to the adoption, amendment, or repeal of any rule, the commission shall give notice of its intended action in accordance with R.S. 49:953(A)(1). The notice shall include a statement of either the terms or substance of the intended action or a description of the subjects and issues involved, and the time when, the place where, and the manner in which interested persons may present their views thereon. The notice shall be mailed to all persons who have made a timely request of the agency for advance notice of its rule-making proceedings and shall be published at least once in the official state journal.

E. Opportunity to be Heard. Prior to the adoption, amendment, or repeal of any rule, the commission shall afford all interested persons reasonable opportunity to submit data, views, or arguments, orally or in writing, in accordance with R.S. 49:953(A)(2).

F. Emergency Rules. If the commission finds that an imminent peril to the public health, safety, or welfare requires adoption of a rule upon shorter notice than that provided above, it may proceed to adopt emergency rules in accordance with R.S. 49:953(B). The emergency rule thus adopted may be effective for a period not to exceed 60 days, but the adoption of an identical rule otherwise under these rules is not precluded.

G. Filing, Publication and Effective Date of Rule. The commission shall file with the Office of State Register a certified copy of any rule or regulation adopted upon the completion of a rule-making proceeding and publish the same in the official state journal in accordance with R.S. 49:954. Such rules or regulations shall become effective pursuant to R.S. 49:954(B).

AUTHORITY NOTE: Promulgated in accordance with R.S. 49:953, R.S. 49:954.

HISTORICAL NOTE: Promulgated by the Department of Education, Board of Regents, LR 33:1858 (September 2007).

Subchapter B. Pleadings

§303. Petition to Adopt, Amend or Repeal a Rule

A. Petition to Adopt, Amend, or Repeal a Rule

1. A petition to adopt, amend, or repeal a rule shall be typed or printed on either standard letter size bond paper or on standard legal size bond paper;

2. the petition shall be dated and shall contain the following:

- a. the title of the pleading (i.e., "petition");
- b. the names of the petitioners;
- c. the names of representatives and legal counselors of such petitioners (if applicable);
- d. all pertinent allegations of fact, data, views, arguments and reasons supporting the action sought by the petition;
- e. a statement or prayer expressing the exact action sought by the petition; and
- f. the signatures of all petitioners, if individual, natural persons, or the signatures of duly qualified representatives of petitioner, if a governmental agency or subdivision or an association of persons;

3. the petition, in setting forth all pertinent allegations of fact, data, views, arguments, and reasons supporting the action sought by the petition, shall contain separate, numbered paragraphs, one for each fact, data, view, argument, and reason set forth;

4. the petition, in expressing the exact action sought by it, shall cite and quote the rule to be adopted, amended, or repealed; and if a rule is sought to be amended, the petition shall quote the rule as it would read after amendment, if it were in fact amended; and

5. only substantial compliance is necessary to meet the requirements of form, and to that end, the provisions of this section shall be liberally construed in favor of accepting the petition.

B. Other Pleadings. Pleadings of any type may be submitted to the commission. They shall be similar in form to that of petitions, except that they may exclude those things peculiar to petitions and shall include those things to which they pertain.

AUTHORITY NOTE: Promulgated in accordance with R.S. 49:953.

HISTORICAL NOTE: Promulgated by the Department of Education, Board of Regents, LR 33:1858 (September 2007).

Subchapter C. Citation and Production of Evidence for Rule-Making Procedures

§305. Voluntary Submission of Evidence

A. Any interested person may voluntarily submit evidence, testimonial or real, to the commission, such evidence being relevant and material to any issue involved in the adoption, amendment or repeal of any rule, to the corroboration of or to the unreliability or inaccuracy of any witness or other source of evidence submitted, or to the credibility or non-credibility of any witness or other source of evidence submitted, in the same form and manner as otherwise provided herein or by law.

AUTHORITY NOTE: Promulgated in accordance with R.S. 49:953.

HISTORICAL NOTE: Promulgated by the Department of Education, Board of Regents, LR 33:1859 (September 2007).

Subchapter D. Public Hearings

§307. Adjudication

A. Process. In any matter defined as adjudication in R.S. 49:951(1), notice shall be given, hearings held and a decision or order issued, all in accordance with the procedures provided for adjudications in R.S. 49:955-961. Upon the conclusion of the hearing and consideration of all evidence presented, the commission shall submit a recommended decision or order to the board for board approval.

B. Rules of Evidence

1. The commission may admit and give probative effect to evidence which possesses probative value and which is commonly accepted by reasonably prudent men in the conduct of their affairs. It shall give effect to the rules of privilege recognized by law. It shall exclude incompetent, irrelevant, immaterial, and unduly repetitious evidence. Objections to evidentiary offers may be made and shall be noted in the record. Subject to these requirements, when a hearing will be expedited and the interests of the parties will not be prejudiced substantially, any part of the evidence may be received in written form;

2. all evidence, including records and documents in the possession of the commission of which it desires to avail itself, shall be offered and made a part of the record, and all such documentary evidence may be received in the form of copies or excerpts, or by incorporation by reference. In case of incorporation by reference, the materials so incorporated shall be available for examination by all interested persons before being received in evidence; and

3. notice may be taken of judicially recognizable facts. In addition, notice may be taken of generally recognized technical or scientific facts within the commission's specialized knowledge. All persons who have shown an interest therein shall be notified either before or during the hearing, or by reference in preliminary reports or otherwise, of the material noticed, including any staff memoranda or data, and they shall be afforded an opportunity to contest the material so noticed. The commission's experience, technical competence, and specialized knowledge may be utilized in the evaluation of the evidence.

C. Admission of Depositions. The presiding officer or any person interested in a proceeding before the commission may take the depositions of witnesses, within or without the state, in the same manner clothed with all the formalities as provided by law for the taking of depositions. Depositions so taken shall be admissible in any proceeding affected by this Chapter. The admission of such depositions may be objected to at the time of hearing and may be received in evidence or excluded from the evidence by the presiding officer in accordance with the rules of evidence provided in this Chapter above.

D. Reopening Hearing and Rehearings. The commission may reopen any hearing for good cause shown, and may grant a rehearing in accordance with R.S. 49:959.

AUTHORITY NOTE: Promulgated in accordance with R.S. 49:955, R.S. 49:956, R.S. 49:959.

HISTORICAL NOTE: Promulgated by the Department of Education, Board of Regents, LR 33:1859 (September 2007).

Subchapter E. Declaratory Orders and Rulings

§309. Declaratory Orders and Rulings

A. The commission shall consider petitions for a declaratory order or ruling as to the applicability of any statutory provision or of any rule or order of the board, submitted pursuant to R.S. 49:962, hold hearings if necessary, and submit a recommended declaratory order or ruling. A petition for a declaratory order or ruling shall contain:

1. the title of the pleading (e.g., "Petition for Declaratory Order");
2. the names of the petitioners;
3. the names of representatives and legal counselors of such petitioners (if applicable);
4. a concise statement of the issue posed, along with citations to the statute, rule or order at issue;
5. a clearly organized statement of all pertinent allegations of fact and data, and if the petitioner takes a specific position on the issue, the arguments and reasons supporting such position;
6. a statement or prayer expressing the exact action sought by the petition;

7. the signatures of all petitioners, if individual, natural persons, or the signatures of duly qualified representatives of petitioner, if a governmental agency or subdivision or an association of persons; and

8. only substantial compliance is necessary to meet the requirements of form, and to that end, the provisions of this section shall be liberally construed in favor of accepting the petition.

AUTHORITY NOTE: Promulgated in accordance with R.S. 49:962.

HISTORICAL NOTE: Promulgated by the Department of Education, Board of Regents, LR 33:1859 (September 2007).

Chapter 5. License Requirements

§501. Applications

A. General

1. All applications must comply with the provisions of R.S. 17:3141.4, as well as any applicable provisions of these regulations. All applications concerning licenses are to be submitted to the commission in the manner as directed by commission staff. at the following address or such other address in the event the commission relocates:

~~Louisiana Board of Regents
 Proprietary Schools Section
 Post Office Box 3677
 Baton Rouge, LA 70821-3677~~

2. All applicable fees, as provided below, must be by company, institutional, certified check, or by money order and must be made payable to the "Louisiana Board of Regents", with the exception of the Student Protection Fund which is to be made payable to the "Student Protection Fund." Except for overpayments toward the Student Protection Fund, no portion of any license fee shall be subject to refund.

B. Initial Application and License Fee. The initial license application fee shall be \$2,000. A payment of \$1,000 toward the student protection fund must be paid along with the license fee.

C. Renewal Application and Fee

1. The annual renewal application fee is based on the school's gross tuition revenues for the previous year as follows:

a. under \$50,000—\$500;

b. \$50,000 and up—greater of \$1,000 or 0.25 percent of gross tuition income.

2. If a complete license renewal application is not received at least 30 days prior to its expiration date, in addition to the renewal fee, there shall be a delinquent fee of \$500. In addition to the renewal application fee and any delinquent fee, a payment to the Student Protection Fund, if applicable, must be made in accordance with R.S. ~~17:3141.16~~17:3140.11.

D. License Fee for Solicitors. The annual license fee for each solicitor/sales representative of a school shall be \$100.

E. Reinstatement Licensure Fee. The reinstatement licensure fee for a suspended school shall be \$500.

F. Change of Ownership Application and License Fee. All changes of ownership are contingent upon approval from the board. Applications for a new license must be requested within 10 days of the change of ownership. No license shall be transferable. The application fee is \$2,000. A payment of \$1,000 toward the student protection fund must be made along with the application fee.

AUTHORITY NOTE: Promulgated in accordance with R.S. 17:3140.1, R.S. 17:3140.3.

HISTORICAL NOTE: Promulgated by the Department of Education, Board of Regents, LR 33:1859 (September 2007).

§503. Student Protection Fund

§509. Other Provisions Concerning License

A. A license shall be valid only for the school and shall not include other schools or branches operated by the owner. Each separate location or branch school shall be licensed and bonded. No new courses shall be offered by any school holding a license until it is approved by the commission staff in accordance with procedures to be established by the commission.

B. Each license must be displayed on the premises. No license shall be transferable. In the event of a change of ownership of the school, the license shall be revoked unless the new owner, within 10 days after the change of ownership, the new owner shall submit a copy of the bill of sale to the commission staff, and is required to submit a new application two months prior to the date of the expiration of the license. ~~requests an application for a license to operate the school.~~

C. Any person who contemplates the purchase of a school may apply for a license. If the board grants such a license, it shall become a valid license only upon completion of the proposed sale.

D. All licenses shall be renewed annually, not less than 30 days prior to expiration date thereof. Updated information must contain all changes in staff, school programs, etc., including all additions and deletions.

AUTHORITY NOTE: Promulgated in accordance with R.S. R.S. 17:3140.2(F).

HISTORICAL NOTE: Promulgated by the Department of Education, Board of Regents, LR 33:1860 (September 2007).

§511. Denial of Recommendation of License and Commission Hearing

A. If the commission or commissioner recommends the denial of a license, the commission shall hold a hearing upon the applicant's request, as provided in R.S. 17:3140.6. The applicant may appear in person or by counsel and may present evidence in support of granting the license. The decision or order resulting from a hearing before the commission is subject to rehearing, reopening, or reconsideration by the commission within 10 days from the date of its entry on the grounds set forth in

R.S.49:959 and in accordance with the procedures therein.

AUTHORITY NOTE: Promulgated in accordance with R.S. 17:3140.6.

HISTORICAL NOTE: Promulgated by the Department of Education, Board of Regents, LR 33:1860 (September 2007).

§513. Revocation of License

A. Licenses may be revoked by the board in accordance with the standards and procedures set forth in R.S.17:3140.7~~8~~ and statutory and regulatory provisions applicable thereto.

AUTHORITY NOTE: Promulgated in accordance with R.S. 17:3140.7.

HISTORICAL NOTE: Promulgated by the Department of Education, Board of Regents, LR 33:1861 (September 2007).

Chapter 7. Personnel Affidavits/Permits

§701. Completion of Affidavits by Non-Instructional Personnel/Instructional Personnel

A. Completion of Affidavit by Non-Instructional Personnel

1. An affidavit (PSC-9 Form) containing the following information must be submitted by the owner of each school (if a corporation, by each officer and by each director) and by each staff person, except solicitors, instructors, and office and clerical personnel:

a. full name and address of said person and the capacity in which he/she serves the school;

b. the city, parish/county, and state of said person's permanent residence and places of residence for the past five years;

c. the names and addresses of said person's employer or employers for the past five years;

d. whether or not said person has ever been convicted of a felony for a crime involving fraud or any misdemeanor other than a traffic violation; and

e. three persons who may be contacted concerning such person's good moral character.

~~2. In the case of office and clerical personnel, in lieu of affidavits by the office and clerical personnel, the owner may submit the information in the form of an affidavit by the owner, based on the~~

~~owner's investigation and knowledge. (Refer to §505.)~~

~~B. Completion of Affidavit by Instructional Personnel~~

~~1. An affidavit (PSC 9 Form) containing the following information must be submitted by each person who will be serving as an instructor at the school:~~

~~a. full name and address of said person and the capacity in which he/she serves the school;~~

~~b. the names and addresses of said person's employer or employers for the past five years; and~~

~~c. three persons who may be contacted concerning such person's good moral character.~~

2. Minimum qualifications of an instructor include the following:

a. an instructor in an academically-credentialed area shall have a baccalaureate degree from a bonafide, accredited college or university, and demonstrate appropriate familiarity with the subject matter taught as evidenced by an academic transcript and/or occupational experience;

b. an instructor, in other than an academically-credentialed area, shall have a high school diploma or its equivalent; a license, diploma, certificate, ~~or~~ other degree from a recognized institution or organization in the area taught, or documented evidence of on-the-job training in the area taught; and four years of documented occupational experience in the area taught;

c. as used in this Subsection, a "recognized institution or organization" shall mean any bonafide, licensed, chartered or traditionally accredited business or association legally engaged in commerce, education, training, or advocacy. Recognized institutions or organizations shall include, but not be limited to, governmental agencies, labor unions, trade and professional corporations, and retail, financial, and commercial entities. The commission shall reserve the right to use all reasonable means in verifying the validity of credentials;

d. at the board's discretion, the minimum four years experience required for instructors may be waived for those disciplines where teaching credentials are officially certified, licensed, or

otherwise approved or granted by a federal agency; and

e. employees employed prior to May 30, 1989 will be exempted from occupational experience.

AUTHORITY NOTE: Promulgated in accordance with R.S. 17:3140.7.

HISTORICAL NOTE: Promulgated by the Department of Education, Board of Regents, LR 33:1861 (September 2007).

§703. Solicitor Application, Bonds, Renewal, Denial, and Revocation

All forms are prepared and provided by the Commission Staff.

A. Permits and Applications. No person shall sell any course of instruction or solicit students therefore in Louisiana for any school unless he has obtained a solicitor's permit from the commission. A separate permit is required for each school the solicitor represents. A separate application (PSC-4 Form) with required fee and bond must be submitted for each permit sought (i.e., for each school to be represented).

Louisiana Board of Regents
Proprietary Schools Section
Post Office Box 3677
Baton Rouge, LA 70821-3677

B. Bonds. Surety bonds for permits must be in the amount of \$1,000 for each permit issued. The bond must be continuous and must be issued by a solvent surety authorized to do business in Louisiana (see PSC-5 Form). The bond may be supplied as a blanket bond by a school covering each agent, \$1,000 in amount for each agent. This bond is set forth in PSC-6 Form. If a surety cancels a bond (as provided in R.S. ~~17:3141.9B~~17:3140.13C(3)) then a substitute bond (meeting all conditions for the original) must be furnished and the solicitor's permit shall be in a state of suspension for any period of time not covered by a proper bond.

C. Renewals. Each permit is valid for one year from date of issuance unless revoked and must be renewed not less than 30 days prior to expiration date. At the time of renewal, the owner/director must submit a PSC-4 Form, (unless the owner/director submits written notification of continued employment of solicitor); a \$100 renewal

fee (made payable to the "Louisiana Board of Regents"); and proof of continuous bond coverage.

D. Denial of Permits. The commission may deny recommendations of issuance of a permit when proper grounds exist therefore. The procedures in such cases shall be in accordance with the applicable provision of R.S. ~~17:3141.1-3141.14~~17:3140.6 and R.S. 49:951-966.

E. Revocation of Permits. A permit may be revoked for any of the causes set forth in R.S. ~~17:3141.1-17:3140.7~~. Notice of contemplated revocation must be given in writing at least 30 days prior to the effective date of revocation. At any time within 30 days prior to the revocation, upon request of the solicitor, the commission shall afford the solicitor an opportunity to be heard in person or by counsel. On or before 30 days prior to the date set for hearing, the commission shall notify the aggrieved solicitor of the date and purpose of the hearing and the grounds for the contemplated revocation of the permit. The procedure for revocation shall be in accordance with those prescribed by R.S. 49:951-966 and by R.S. ~~17:3140.7-17:3141.1-14~~ as applicable to such action.

AUTHORITY NOTE: Promulgated in accordance with R.S. 17:3140.2 (F), R.S. 17:3140.7. R.S. 17:3140.7.

HISTORICAL NOTE: Promulgated by the Department of Education, Board of Regents, LR 33:1861 (September 2007).

Chapter 9. Proprietary Schools Applications

§901. Initial License or Change of Ownership License Procedures

A. Refer to the PSC-14 Form, Proprietary Schools License Requirements Checklist. Enclose one original application in a binder, with tabs of the applicable items as listed on the PSC-14.

B. Louisiana Minimum Cancellation and Refund Policy

1. Three-Business-Day Cancellation. All monies paid by a student shall be refunded if requested within three business days after signing an enrollment agreement and making an initial payment.

2. Cancellation after the Three-Business-Day Cancellation Period but Before Commencement of Classes by the Student. If tuition or fees are

collected in advance of entrance, and if the student does not begin classes, not more than a \$150 registration fee shall be retained by the institution. Appropriate refunds shall be made within 30 days of the start of the quarter, term, or semester.

3. For programs less than 300 clock hours, the withdrawal after commencement of classes refund policy shall be:

a. after a student has completed less than 15 percent of the program, the institution shall refund at least 80 percent of the tuition, less the registration fee, thereafter;

b. after a student has completed less than one fourth of the program, the institution shall refund at least 70 percent of the tuition, less the registration fee, thereafter;

c. after a student has completed one fourth, but less than one half of the program, the institution shall refund at least 45 percent of the tuition, less the registration fee, thereafter;

d. after a student has completed one half or more of the program, the institution may retain 100 percent of the stated program price.

4. Any unused portion of the book fee will be refunded.

Chapter 11. Student Protection Fund

§1101. Policies and Procedures

A. Student Protection Fund Policy

1. The Student Protection Fund is administered by the board and the commission; shall be subjected to audit and review by the Legislative Auditor's Office.

2. Required refunds due from the Student Protection Fund will be provided on a pro rata basis, or other means as appropriate. Prior to any funds being released from the Student Protection Funds, the school's surety bond must be exhausted.

3. For students that have loans, the administrator of the Student Protection Fund will enter into an agreement with the state guaranty agency that any refunds will be allocated as follows:

- a. present holder of the loan, whether lender or LOSFA, and any remaining balance to the borrower;
- b. for students without loans, appropriate tuition repayment.

4. Administration of the Student Protection Fund is subject to review by the U.S. Department of Education and the state guaranty agency:

- a. the commission staff shall retain all records pertaining to the determination of payment or denial of refunds for a period of not less than one year after the final determination has been made;
- b. records shall be maintained in an organized manner; and
- c. records shall be readily accessible to the U.S. Department of Education and guarantee agency auditors.

B. Student Protection Fund Procedures

1. The application for tuition recovery (PSC-15 Form), may be submitted after reasonable efforts

to compensate the student from the following resources have been exhausted (see PSC-15 Form for instructions):

- a. provide teach-out;
- b. acquire refund from the school;
- c. acquire refund from any other school resources; and
- d. acquire refund from U.S. Department of Education, Closed School Section;

2. lenders holding loans eligible for refunds under the Student Protection Fund may submit the claims to the commission without undertaking any additional collection activity, if the commission determines that the student has not submitted a claim. Submission of a claim by the lender will preclude the student from filing a claim at a later time;

3. refund calculations will be based upon copies of enrollment contracts, student ledger cards, and other pertinent documents submitted by the student; and

4. students and/or lenders applying for relief to the Student Protection Fund will be notified of the status of the request within 60 days of receipt of the application by the commission staff.

AUTHORITY NOTE: Promulgated in accordance with R.S. 17:3140.11 and R.S. 17:3140.12.

HISTORICAL NOTE: Promulgated by the Department of Education, Board of Regents, LR 33:1863 (September 2007).

Chapter 13. Advertising Rules for Proprietary Schools

§1301. Advertising Rules

A. Advertising. All advertising shall forthrightly disclose the purpose of the advertising, that education or training, not a job, is offered, and that the advertiser is a school. Advertising includes any form of public notice however disseminated or utilized. Within this definition would be all publications, communications, promotional items, and efforts which could normally be expected to be seen or encountered by significant numbers of prospective students or their sponsors. Examples include catalogs and other school publications, signs, mailing pieces, radio, television, audio-visual, newspaper, internet or any other form of

public notice resulting from the school's recruiting and promotional activities.

B. Solicitation. In the solicitation of students, a school shall not directly, or by implication, misrepresent the services it renders. All advertisements and promotional literature used shall be truthful, informative and constructive; and avoid conveying any false, misleading or exaggerated impressions with respect to the school, its personnel, its courses and services, or the occupational opportunities for its graduates. The true purpose and nature of a school's offerings shall be evident in all advertising. Every advertisement shall constitute to the reader a clear statement of a bonafide offer or announcement made in good faith. It shall be written to its anticipated readership, normally persons unsophisticated in the traditional word usage of the education industry. Therefore, all solicitation must be truthful and conducted with extreme care.

AUTHORITY NOTE: Promulgated in accordance with R.S. 17:3140.8.

Chapter 15. Violations

§1501. Authority, Investigation, and Sanctions

A. Violations. The following is an illustrative, but not exclusive, list of actions constituting a violation:

1. failure to provide the commission with an item of information required by R.S. 17:3140+.1 et seq.;
2. misrepresentation about a school's credentials or accreditation;
3. a false claim or guaranty of employment by a school or solicitor;
4. failure to disclose to a student a necessary requirement for employment;
5. false or misleading advertising;
6. unethical behavior by a solicitor;
7. failure to disclose liability for repayment of a student loan;
8. failure to respond to student complaints as provided in the student complaint rule, R.S.

~~17:3141.3(D)(2)(b)~~17:3140.9
17:3140.231.3(E);

and

9. employment of an instructor who is unqualified;

10. unsafe or unhealthy condition of a school;

11. unsafe, unhealthy, or inadequate instructional equipment;

12. failure to teach the number of hours claimed;

13. failure to maintain attendance records and to provide them for inspection;

14. failure to comply with a contractual relationship with a student;

15. failure to release the grades of a student;

16. failure to cooperate with an investigator from the commission;

17. attempting to obtain, obtaining, or renewing a license to operate a school by fraudulent misrepresentation or bribery;

18. placement of classified advertisement under "employment" or other similar categories related to employment rather than "education" or "instruction";

19. upon closure, failure to transfer student records to the board; and

20. failure to comply with the provision of R.S. 17:3140.1 et seq., or any written rule or regulation of the board.

B. Authority and Scope. The definition of "school" for the purpose of this rule shall include a licensed school and school owners, employees, operators, agents and solicitors. The commission shall use the following procedures prior to making a recommendation to the board under R.S. ~~17:3141.8(A)~~3140.7 that a school license should be revoked, canceled, or suspended.

1. Any school found to be in violation of any provision of R.S. 17:3140.1 et seq., or any other state regulation adopted by the commission pursuant to the Administrative Procedure Act governing the administration or operation of a school may be sanctioned by one or more of the following remedies:

a. restitution and remedial measures;

b. civil money penalties (fines); and

c. revocation, suspension, cancellation, or other restrictions on the license.

2. The commission's assessment of a sanction shall be based on the following considerations:

a. whether the violation or substantially similar violation has previously occurred;

b. the duration of the violation;

c. the severity of the violation;

d. the school's history of compliance with the regulations;

e. what sanction is most likely to bring the school into compliance in the shortest time;

f. the "good faith" exercised by the school in attempting to stay in compliance with the regulations; and

g. such other factors as the commission deems appropriate.

C. Investigation

1. When the commission's staff becomes aware of a violation, it may conduct an onsite investigation of a school. The inspection may or may not be announced at the discretion of the staff.

2. The agent conducting the investigation shall have the authority to:

a. privately interview administrators, teachers, solicitors, and students;

b. inspect school records, documents, catalogs, forms, and advertisements; and

c. inspect the school facilities and equipment.

3. The school shall cooperate fully with the agent.

4. Within five days of the investigation the agent shall prepare a written report which shall be furnished to the commission staff and the school. The report shall contain:

a. factual findings relevant to the initial violation;

b. factual findings of any additional violations;

c. recommendations of remedial measures to be taken by the school; and

d. recommendations of any sanctions to be taken by the commission including the commission's petition for an injunction to terminate the violation;

e. the procedure by which an administrative hearing may be requested.

5. Additional or follow-up visits may be made to the school to monitor violations or to monitor remedial measures taken to correct prior violations.

D. Notice of a Violation

1. When a violation of state statutes or regulations governing the administration or operation of a school has occurred, in accordance with R.S. 17:31~~40.841-8~~, the commission staff shall give notice of the violation to the school's director by certified mail, return receipt, and shall afford the school an opportunity to be heard in person or by counsel.

2. The written notice of the violation shall:

a. specify the violation(s);

b. cite the legal authority which establishes the violation(s);

c. cite any sanctions assessed for each violation;

d. inform the school's director that the determination of the violation and imposition of the sanction are final, and no further administrative or judicial appeals may be had if a timely appeal is not filed; and

e. inform the school's director if the violation is regarded as a repeat or continuing violation and the manner in which the sanction will be imposed.

3. If the school requests a hearing, the commission staff shall hold a hearing and take evidence. Strict rules of evidence shall not apply. A tape recording of the hearing shall be made. The school may deny the violation, admit the violation in part and deny it in part, or admit the violation but request a reduction or modification of the sanction imposed. The school may present witnesses or documentary evidence in its defense bearing directly on the violation asserted. The school is limited to one witness to attest to its reputation or to

remedial measures it has taken. The commission may consider reputation and remedial measures in mitigation of the sanction. For continued or repeat violations, reputation or remedial measures shall not be considered.

4. The commission staff shall have authority to determine for purposes of making a recommendation to the board, whether a violation is a repeat or continuing violation:

a. a repeat violation is the recurrence of the same or a substantially similar violation within a period of 12 months;

b. a continuing violation is one that may be reasonably expected to continue until corrective action is taken. A continuing violation may be considered as a repeat violation for each day following the day on which the initial violation is established, until such time as there is evidence establishing a date by which the violation is corrected. A continuing violation may be subject to appropriate sanctions for repeat violations up to the number of days of the violation at the discretion of the commission staff.

5. After holding a hearing, the commission shall submit its findings to the board, and may recommend any of the penalties listed in Paragraph 1501.B.1 and Subsection 1501.F, as it deems appropriate. The commission shall also forward a copy of its findings and recommendation to the school, notify the school of the date of the board meeting when the commission's recommendation will be considered, and advise the school of the opportunity to appear at the board's meeting by person or by counsel and be heard. After due consideration of the commission's recommendation and the school's arguments (if the school presents any arguments) and upon a vote of two-thirds of the authorized membership of the board, the board may revoke, cancel, suspend or restrict the school's license, or impose fines or refunds.

6. A sanction which requires monetary payments, either fines or restitution, shall be paid within a timeframe as determined by the board following its notification.

E. Description of Sanctions

1. Restitution and Remedial Measures. The commission may impose sanctions consisting of, but not limited to, the following measures:

- a. rebate of all or a portion of the tuition to the students;
- b. modification or termination of advertising when unwarranted, false, or misleading claims are made, or placement of corrective ads;
- c. counseling of students when they have been misinformed about a material matter;
- d. the posting of a sign in a prominent position in a school correcting a false representation made to the students;
- e. the distribution of an informational leaflet to the students informing them of their rights;
- f. the inclusion or exclusion of information from the student catalog to correct a misrepresentation;
- g. repairs or modification to a physical facility when health or safety is jeopardized;
- h. repairs or modification to equipment when health or safety or delivery of quality instruction is jeopardized;
- i. an order to terminate a gross violation of the statutes or regulations;
- j. an order to cease the enrollment of new students or to limit enrollment to those students who meet more restrictive admission standards; and
- k. modification of the curricula or methods of instruction.

2. Civil Money Penalties (Fines). The commission has the authority to impose a fine up to \$500 for each violation. Repeat or continuing violations may be assessed separate fines up to \$500 for each day of violation. After a fine is imposed, the commission may allow a specified period of time for the correction of the violation. If the violation is corrected, the commission may waive the payment of the fine. The school may be given the opportunity to demonstrate compliance before the fine becomes final. A violation for which a fine is waived shall still be counted for repeat and continued violations. The right to assess civil fines is not merged in other remedies, and the commission may impose other sanctions in addition to the fines.

3. Revocation of License. The commission may recommend the revocation of a school's license to the board.

F. Appeal Procedure. Any sanction may be administratively appealed as long as the appeal is timely filed in accordance with R.S. 17:3140.6:~~3141.8(F)~~.

AUTHORITY NOTE: Promulgated in accordance with R.S. 17:3140.2, R.S. 17:3140.7, R.S. 3140.8, and R.S. 17:3140.9.

AGENDA ITEM VIII.E.3.
Student Success Council Quarterly Report

The Student Success Council (Council) was established in January 2021 to help identify trends, obstacles, and solutions that will inform policies and practice to achieve the Board's postsecondary completion goals. The Council assists the Board in evaluating progress toward Master Plan objectives and provides guidance relative to accelerating progress toward attainment goals. The stated objectives of the Council include: identifying barriers to completion of credentials aligned with workforce demand; determining and adopting best practices for supporting students at scale; developing strategies to close equity gaps; and researching and recommending policy solutions to improve service to students. In sum, the group identifies interventions that are most effective to achieving student success.

Since the last quarterly report provided to the Board, the Council has met twice, on April 27th and July 27th. During those timeframes the Council established three committees to facilitate its efforts. The Access to Success Committee focuses on expanding access to and success in completing postsecondary education. The Continuing Students/Completers Committee identifies and addresses persistent and damaging equity gaps. The Focus on Adults Committee develops strategies to increase the education level for adult learners. These committees have been convening regularly prior to each Council meeting with the primary purpose of exploring and researching barriers to student success specific to the work of their respective groups. Outcomes achieved at committee meetings are reported to the Council and inform agenda development for each Council meeting as well as subsequent committee meetings.

At its second quarterly meeting in April the Council was provided with a presentation from HCM Strategists focused on achieving student success through an equity lens. Following this overview each committee met to develop immediate next steps to ensure the Council has a clear understanding of diversity, equity, and inclusion (DEI) concepts and to discuss approaches as to how its work can be accomplished through a clear equity lens. Committees also prioritized the items it should keep in mind as it develops strategies for the Council's action plan, in addition to developing recommendations as to how Board of Regents staff can most effectively support the work of the Council. Common themes emerging from committee meetings focused on college affordability and student advising and support. Each committee reported its recommendations to the Council prior to the conclusion of the meeting.

For its third quarterly meeting in July the Council was provided with an overview from the Louisiana Office of Student Financial Assistance (LOSFA) on current and future forms of merit and need based student aid, including changes implemented from the 2021 Regular Session of the Legislature. LOSFA also provided a summary of student outreach and engagement it provides to all learners across the state. To complement this, Board of Regents staff provided a summary of institutional survey results focused on advising models and policies used at postsecondary institutions in Louisiana. Following these presentations HCM Strategists shared instructions for the development of goals that are specific, measurable, attainable, realistic, and time-bound (SMART goals). Each committee commenced work on developing three SMART goals during their breakout sessions and reported out to the Council prior to the conclusion of the meeting. Finalized goals which will be shared at the Council's 4th quarterly meeting on October 26th. Each committee will develop action items for achievement of their goals. These items will comprise the Council's action plan, which will be presented to the Board at its December 15th meeting.

This item is for information purposes only. No action is required by the Board.
